Dance Spreads Its Wings Ruth Eshel, 2021-10-25 Why did dance and dancing become important to the construction of a new modern Jewish Israeli cultural identity in the newly formed nation of Israel There were questions that covered almost all spheres of daily life including What do we dance because Hebrew or Eretz Israeli dance had to be created out of none How and why did dance develop in such a way *Dance Spreads Its Wings* is the first and only book that looks at the whole picture of concert dance in Israel studying the growth of Israeli concert dance for 90 years starting from 1920 when there was no concert dance to speak of during the Yishuv pre Israel Jewish settlements period until 2010 when concert dance in Israel had grown to become one of the country's most prominent original artistic fields and globally recognized What drives the book is the impulse to create and the need to dance in the midst of constant political change It is the story of artists trying to be true to their art while also responding to the political social religious and ethnic complexities of a Jewish state in the Middle East
