The Journeyman: How a Veteran Tour Player Found his Swing After 50 Years Larry Rinker, 2020-08-04 Former PGA Tour Player Larry Rinker is pleased to announce the release of his third book *The Journeyman: How a Veteran Tour Player Found his Swing After 50 Years*. The paperback book is now available. This is such a killer book. This is a must read for anyone interested in what it takes to succeed in the cutthroat world of professional sports. I couldn't put it down. Paul Azinger, former PGA Champion and NBC Analyst, Larry Rinker will rock your world as his story of perseverance in life and his rise to the highest level of golf instruction is a true inspiration. Well done, my friend Gary McCord, PGA Tour Veteran Member, CBS Announcer. He may have called himself *The Journeyman*, but as anyone will tell you, the joy in life is in the journey, and no one tapped into that joy more than Larry. Jim Nantz, CBS Sports, it's a story worth telling. Tim Finchem, former PGA Tour Commissioner, I have always enjoyed Larry's company and admired his talents both on the golf course and on the bandstand. *The Journeyman* is a great perspective on the life of a Tour player. Love ya Rink, Vince Gill, 21 Grammy Awards, Country Music Hall of Fame. As Larry's playing career wound down, he made a smooth transition into teaching and he shares many beliefs with me, including one very basic fundamental: You cannot standardize teaching as all teachers communicate differently and all students learn differently. *The Journeyman* is the most fascinating book I have ever read. I believe the reader will enjoy learning about his journey as much as he enjoyed making it. Bob Toski, Hall of Fame Teacher, 1954 PGA Tour Leading Money Winner. Larry Rinker is a first-rate guitar player, disciplined and sensitive with a refined touch and a professional's approach to music. In having intertwined all the elements of his search for self-awareness, he has adroitly put the journey back in *Journeyman* and made it a fitting title for this book. Well done, dear friend Stephen Stills, the first person to be inducted twice on the same night into the Rock and Roll Hall of Fame for Buffalo Springfield and CSN. *The Journeyman* is a must read for any aspiring Tour player as well as anyone who is a fan of the PGA Tour. These guys are good for a reason. When Larry was 6 years old, his lungs collapsed twice while he was having a kidney removed. Doctors gave him only a 50/50 chance of survival. He not only survived, he thrived because he refused to be deterred by any obstacle that life put in his way. This truly is a great read. Dr. David F. Wright, Ph.D., PGA.

Foundry, 1904 **The Definitive Guide to Java Swing** John Zukowski, 2006-11-02 Fully updated for the Java 2 Platform Standard Edition version 5.0, the third edition of this praised book is a one-stop resource for serious Java developers. This book shows you the parts of the Java Swing API that you will use daily to create graphical user interfaces (GUI). You will also learn about the Model-View-Controller architecture that lies behind all Swing components and about customizing components for specific environments. Author John Zukowski also provides custom editors and renderers for use with tables, trees, and list components. You'll encounter an overview of Swing architecture and learn about core Swing components, toggleable components, event handling with the Swing Component Set, Swing menus, and toolbars, borders, pop-ups, choosers, and more.
