Current Trends In Management Consulting:

Current Trends in Management Consulting Anthony F. Buono, 2001 A study of trends in management consulting at the beginning of the new millennium The contributions are divided into three sections addressing the consulting industry trends and techniques in management consulting and reflections on management consulting The Oxford Handbook of Management Consulting Matthias Kipping, Timothy Clark, 2012-03-29 Management consultants of various kinds play an important role in the world of business and other organizations This Handbook provides a comprehensive overview of research and thinking on the role history and function of management consultants **Management Consulting Today and Tomorrow** Larry E. Greiner, Flemming Poulfelt, 2010-04-02 This book provides a thorough examination of a variety of specialties within the broad range of management consulting A book of such scope and depth could only be written by a large number of experts each from one of the many specialties related to management consulting Together all 27 contributors take the reader through an industry that is currently undergoing significant change While covering all the major practice areas of consulting the book also offers new insights into change processes and addresses compelling management issues now facing consulting firms *Recent Trends in U.S. Services Trade, 1999 Annual Report, Inv. 332-345* , Preparing Better Consultants Susan Adams, Alberto Zanzi, 2011-11-16 This volume addresses the education of management consultants highlighting the need for better training to handle business complexities It critiques current training methods and emphasizes academia s role in providing critical thinking skills Chapters offer examples of innovative programs and reflections on academia s potential impact **Proceedings of the XV International symposium Symorg 2016** Ondrej Jaško, Sanja Marinković, 2016-06-03 Management Consulting Milan Kubr, 1996 Widely recognized as a key reference work on the practice of consulting this guide offers an extensive introduction to professional consulting its nature methods organizational principles behavioral rules and training and development practices **Journal of Management Consulting** , 1987 The forum for management consultants worldwide **Annual Report** Asian Productivity Organization, 1990 Consultants News , 2007 **The Directory of Management Consultants, 2003** Kennedy Information (Firm), 2002 **Management Consulting in Practice** Fiona Czerniawska, Paul May, 2004 This authoritative new book explores the relationship between top management consultant teams and their clients It presents through a series of case studies from both the private and public sectors best practice consulting at the sharp end of contemporary management across all management disciplines The case studies are drawn from the MCA Awards which recognise Best Practice in all the categories of management Firms present qualifying client engagements for evaluation by a distinguished panel drawn from industry and academia Each case study explores a unique business situation and the way it was tackled by the team and also examines how those teams responded to challenges during their projects and the unexpected lessons they learned The case studies are embedded within an explanatory framework that draws out common themes relates the case studies to generic

models and discusses how their approaches can be applied in other businesses Case study clients include the International Olympic Committee Sun Microsystems Apache Corporation Aon Tesco BT Business MoD Westminster City Council BAE Systems GCHQ Sainsbury s Supermarkets Home Office Transport for London and NHS Trusts

The Contemporary Consultant Larry Greiner, Thomas Olson, Flemming Poulfelt, 2005 This book complements The handbook of Management Consulting The Contemporary Consultant Insights from Leading Experts 1e but can also be studied separately The book consists of 20 cases including Harvard and Stanford cases The cases present the broad range of topics that are pertinent to current management consulting Each of the four parts of the text presents a cogent introduction by the editors delineating topics that are critical for today s consultants to understand The cases represent major practice areas of consulting and afford new insights into change processes and other current management issues facing consulting firms These cases together with the handbook will prepare consultants and other business managers for a successful future in a highly competitive consulting environment
