Donner Party Chronicles:

The Donner Party Chronicles Frank Mullen,1997 The Donner Party has become a tragic icon of the American march west From Independence Missouri to Sutter s Fort California the party endured almost unimaginable hardship and suffering Author Frank Mullen Jr gives us a day by day account of their struggle for survival as they journey across the trail west The Reno Gazette Journal and the Nevada Humanities Committee present Frank Mullen s account of the Donner Party accompanied by hundreds of historical illustrations and Marilyn Newton s photographs of the trail today Book Jacket **The Donner Party Chronicles** Frank Mullen,1997 **The Best Land Under Heaven** Michael Wallis,2017-06-06 Longlisted for the Andrew Carnegie Medal for Excellence Finalist for the Oklahoma Book Award A Publishers Weekly Holiday Guide History Pick A book so gripping it can scarcely be put down Superb New York Times Book Review WESTWARD HO FOR OREGON AND CALIFORNIA In the eerily warm spring of 1846 George Donner placed this advertisement in a local newspaper as he and a restless caravan prepared for what they hoped would be the most rewarding journey of a lifetime But in eagerly pursuing what would a century later become known as the American dream this optimistic yet motley crew of emigrants was met with a chilling nightmare in the following months their jingoistic excitement would be replaced by desperate cries for help that would fall silent in the deadly snow covered mountains of the Sierra Nevada We know these early pioneers as the Donner Party a name that has elicited horror since the late 1840s With *The Best Land Under Heaven* Wallis has penned what critics agree is destined to become the standard account Washington Post of the notorious saga Cutting through 160 years of myth making the expert storyteller True West compellingly recounts how the unlikely band of early pioneers met their fate Interweaving information from hundreds of newly uncovered documents Wallis illuminates how a combination of greed and recklessness led to one of America s most calamitous and sensationalized catastrophes The result is a fascinating horrifying and inspiring Oklahoman examination of the darkest side of Manifest Destiny *The Chronicles of America Series: The last frontier* ,1918 **The Chronicles of America Series** ,1918 *History of the Donner Party* Charles Fayette McGlashan,1947 Reproduces the 1880 edition of McGlashan s text which chronicles the experiences of the Donner Party a group of pioneers who set out from Springfield IL in April of 1846 and encountered tragedy when they were trapped by a snowstorm in the Sierra mountains **Term Paper Resource Guide to Nineteenth-Century U.S. History** Kathleen W. Holliday, 2018-05-08 **Mormon Vanguard Brigade Of 1847** Norton Jacob, 2005-05-20 There are no historical events that have more iconic significance for the people of Utah than the trek of the vanguard company of Mormons west in 1847 Its meaning may vary but overall the march has a highly symbolic and seminal historical importance for virtually all Utahns While the journey has been widely celebrated memorialized and even sanctified and various books have been written about it there is more that can be said and understood about the migration s place in western history about its context including events preceding and following it and about the real experiences of its participants Particularly lacking in most published accounts are the stories

of the rank and file members the individuals who in contrast to the well known leadership with Brigham Young at the top might fittingly be called foot soldiers The 1847 company had a military like organization which is captured by Ronald Barney s term brigade in the title Norton Jacob was such a man of the ranks in 1847 He had no special status in the Mormon Church and there was little to make him stand out in the historical record than that he left what is regarded by many trail historians as one of the best and most informative journals of the early Mormon emigration While the heart of Jacob s record concerns the 1847 journey there is much more to it The diary published here begins in 1844 the year of church founder Joseph Smith s murder It continues through the crisis events that followed the Mormons flight from Nauvoo their trudging journey across Iowa to Winter Quarters and the beginnings of mass migration to Utah After the apex of 1847 the arc of the narrative moves through accounts of Jacob s return to Nauvoo late that year and of the much larger Mormon emigration in 1848 It reaches denouement in a short record of his first years in Salt Lake Valley Donner Summit Margie Powell,2003
