Divide These Poems:

Divide These Saskia Hamilton, 2005-05 Poet Saskia Hamilton author of *As for Dream* explores where the pull of reverie becomes palpable and eerily seductive Poetry Only night First light I will not quite fit in this hole nor you with your long fingers from *Divide These* These spare evocative poems register things at the edge of our attention that confound our systems of belief In *Divide These* Saskia Hamilton brings delicate observation together with riveting assertion to make an original unsettling music

The Complete Poems Emily Brontë, 2006-08-31 The poems of Emily Jane Brontë are passionate and powerful works that convey the vitality of the human spirit and of the natural world Only twenty one of her poems were published during her lifetime this volume contains those and all others attributed to her Many poems describe the mythic country of Gondal and its citizens that she imagined with Anne and remain the only surviving record of their joint creation Other visionary works including *Remembrance* and *No coward soul is mine* boldly confront mortality and anticipate life after death And poems such as *Redbreast* early in the morning and *The blue bell* is the sweetest flower evoke the wild beauties of nature she observed on the Yorkshire moors while also examining the state of her psyche

An Attempt to Delineate the Characteristic Structure of Classical (Biblical) Hebrew Poetry Donald Broadribb, 1995

[Albertino Mussato: The Making of a Poet Laureate](#) Aislinn McCabe, 2022-01-27 This book examines the life and political career of Albertino Mussato 1261 1329 a Paduan poet historian and politician Mussato was one of the first writers of the late medieval period to begin reviving classical Latin in his works His classical style tragic drama *Ecerinis* inspired by the writings of Seneca paved the way for him to be crowned as the first poet laureate since antiquity This work outlines how Mussato depicted the course of his own career from being an impoverished teenager of insignificant birth to becoming a celebrated poet and scholar as well as an influential political figure It looks specifically at the years leading up to Mussato's public coronation on 3rd December 1315 as poet laureate for his city His writings are a key component of his political manoeuvres as he tried to navigate through the troubled waters of northern Italian politics The book demonstrates how the sources pertaining to Mussato's life and career are part of an exercise in self promotion and self fashioning intended to secure his position within factional politics but rooted in a philosophical approach derived from his early classical studies Accordingly this book acts as a fully fledged account of the interaction between Mussato's writings and his political career and how this contributed to his rise to fame

Division A Canvas Torn, 2023-08-27 A gentle verdant breeze spiraling swirling with the tinge of an emerald whispering upon my flesh Your eyes a gale Calming Surreal Gentle A sea of leaves waving as they see me Were it not me I am wholly unworthy A storm of crystalline pines a tempest forms as the rain pours from the fields A cyclone severing the meadows Emerging from them Your eyes a gale Frightening roars of agonized winds hurling everything I considered static peals of lightning flashing among the

sage colored clouds falling like rivers cutting through the forest Your eyes a gale Your eyes a gale Your eyes have died Your Eyes A Gale A Canvas Torn Welcome to the world of Division In these pages I invite you to join me on a deeply personal voyage through the intricate emotions that shape our lives Within this book you won't find much flowery language or many grandiose claims Instead you'll discover raw and honest reflections on themes that touch us all Loss regret mental health suicide love these are the threads that weave the fabric of our existence and I've sought to capture their essence with my utmost personal authenticity These poems are like a mirror offering glimpses into the emotions that sometimes hide in the shadows I've delved into the corners of my mind exploring the complexities that often go unspoken Through my words I hope to create a space where you can find pieces of your own journey resonating with the emotions that may have long been silently nestled within you Division isn't about selling you a fantasy it's about sharing a piece of my soul I've shared my vulnerabilities on these pages allowing you to witness the struggles and triumphs that have shaped me As you immerse yourself in these verses my hope is that you'll feel a connection a kinship that reminds you that you're never truly alone in your experiences Life isn't always neatly wrapped it's messy intricate and often divided between joy and sorrow Through these poems I've tried to navigate that division finding the common threads that bind us You'll find no grand solutions here just an invitation to explore the emotional landscapes we all traverse Division is more than a collection of poems it's a piece of my heart that I'm sharing with you I invite you to take a journey with me to explore the uncharted territories of the human heart and mind Let's embark on this introspective voyage together and perhaps we'll find a sense of unity in our shared experiences I'll look for you in the divide and I'm sure you will find me there
