Bible Code The:

Bible Code II Michael Drosnin, 2003-10-28 The Bible code the ancient code encrypted in the Bible that may reveal our future was made known to the world by investigative reporter Michael Drosnin Now he reveals startling new predictions warning that we may have only three years to stop the countdown to Armageddon This dramatic account opens on the morning of September 11 2001 when Drosnin witnessed the attack on the World Trade Center and then found the terrible event predicted in detail in the 3 000 year old Bible code But according to the code September 11 was only the beginning The Bible code says we are already in the End of Days the Apocalypse foretold by all three major religions of the West Drosnin has traveled the globe to meet with world leaders to prevent the impending danger and to search for the Code Key a long buried ancient object that may completely unlock the Bible code just in time to save our world *Bible Code Bombshell* R. Edwin Sherman, 2005 Explosive evidence that Bible codes point to the life of Christ When Ed Sherman a mathematician with 30 years of experience and Nathan Jacobi an Israeli physicist set out to debunk claims that there were mysterious codes in the Hebrew Old Testament they could not have envisioned the startling conclusions they would reach As Dr Jacobi an agnostic Jew looked for lengthy Hebrew codes about Christ repeatedly he discovered compelling excerpts from the life of the man from Nazareth Time and again Dr Jacobi found that one or two word codes were actually part of much longer encoded sentences that echoed the Gospel accounts Moreover these encoded sentences were extensively embedded in two passages most widely regarded as prophecies of the crucifixion of Christ Isaiah 53 and Psalms 22 Bible Code Bombshell sets forth startling new evidence that code sequences in Scripture are irrefutable evidence of a Divine hand In this highly readable book Sherman offers both skeptics and believers a gold mine of information that will prompt much thinking about the origins of the Bible Unlike other Bible code books this unique book features codes that are phrases and sentences and not just one or two word codes The only code book by researchers that are internationally recognized mathematicians and statistical experts Responds directly and accurately to Bible code critics The Bible Code Michael Drosnin, 1997 Vol 2 has title Bible code II the countdown **Decoding the Bible Code** John Weldon, Clifford A. Wilson, Dr. Barbara Wilson, 1998 The authors of the blockbuster book *The Bible Code* claim that God inserted hidden prophetic messages within the original Hebrew letters of the Old Testament Their claims have been hailed by many as a new revelation from God But does *The Bible Code* hold up to scrutiny In this well researched response best selling authors John Weldon and Clifford Wilson explain the mechanics of the code in layman s terms examining its use and message The authors show how simple it is to manipulate words to create almost any message and how the core themes presented in *The Bible Code* are consistent with the teachings of most cults **The Bible Code Solved** Tracy Yates, 2017-12-05 In 1997 Michael Drosnin published *The Bible Code* This book demonstrated that amazing things from the past present and future are encoded within the Bible Every major event in world history every major figure in world history seems to be encoded in the Bible Michael Drosnin Despite intentional

disinformation claiming to have debunked the Bible codes they are real and they are taken very seriously Ordinarily we would assume that the US Pentagon and anything having to do with the Bible would be far removed from one another But in 1994 statistical science a respected mathematical Journal published report number three volume 9 titled Equal distant letter sequences in the book of Genesis That report found its way to the Pentagon s national secret agency of cryptology And made it to the desk of Harold Gans a senior cryptographer for the Pentagon s national security agency Gans knew that equal letter Skip sequence was a code form widely used by governments and their agents The idea that they would occur in the book of Genesis was hard for him to believe He found it so difficult to believe that he wrote his own computer program based on his intimate knowledge of encryption techniques with the intent of disproving the results published by Statistical Science If the codes were simply a matter random chance then Gan s program would reveal this After testing the codes with this program Gans made the statement The probability that these codes could appear by accident is virtually nonexistent In the plain text the Bible tells us that God spoke our universe into existence The ancient Torah is the source code behind creation Recently they have discovered binary code at the quantum level Physicists James Gates claims to have actually found quantum bits of 1 s and 0 s The Bible Code has been solved The Torah is the source code that supports our reality Once the code is solved the keys to creation are revealed In The Bible Code Solved you will learn the finest details behind exactly how God created the universe I encourage everyone to be seated when they get to the conclusion of this book where you will be given a source that you can verify on your computer containing the most amazing proof of God that has ever been available to the public

Valemont,2013-11-25 What does the Bible Code have to say about the Poplar Montana murder of Kimberly Nees in 1979 If that seems a long time ago to you imagine how long it seems to Barry Beach who has insisted that the confession he made as a juvenile of 20 in 1983 the one that put him behind bars for one hundred years was false That confession was retracted as soon as it was given Three years after Kim s death his stepmother called the police over a misdemeanour insinuating he was bad by mentioning the fact that Barry had been a murder suspect in Poplar Montana He was along with many others in his home town Barry dated Kim s little sister Pamela Naturally he was questioned by police Now witnesses by the score have come forward and told how they are convinced that Barry did not commit this shocking crime believe he was coerced into giving a false confession out of youthful fear and pressure Now Pamela Nees and others who claim they know who the real killers are fight to free him from a lifetime behind bars **The Bible Code and Jodi Ann Arias - Parts 1 and 2** Pamela

The Other Bible Code Val Pym,2010-09-02 Book Overview What does the future hold for Planet Earth That is the critical question for these troubled times Christians believe that the Bible holds the answer Ultimately the Kingdom of God will come On Earth as it is in Heaven That much is certain however just how and when that will happen is often the subject of debate In *The Other Bible Code* the author shows that God has encrypted the destiny of the Church and the world into the history of His chosen people Israel This Code brings break through revelation which will encourage the Church to rise up and fulfil its destiny in the Earth The Church of Jesus Christ is the instrument through which God works to fulfil His purposes in the world Events in Israels history will guide us on whom the ends of the ages have come 1 Corinthians 10 11 The Code shows that we are living in very significant times and though the future holds much upheaval there is also great victory and glory ahead for the Church

Kirkus Reviews Pym a retired lay pastor offers a new perspective on interpreting the Bible to determine what will happen during the end times and how Christians should focus their efforts now in light of that ultimate destiny Pym's prose is clear and she cites scripture regularly in order to support her interpretation the topics Pym discusses are inherently controversial many readers will be in for an argument Others will find themselves renewed and inspired in their efforts to live out their faith in a meaningful way that will change the world For readers fascinated by the end times or typology this book will offer a somewhat unusual perspective
