*What's Right with the Church* Elmer L. Towns,2009-09-15 The early believers of Jesus Christ knew that they were not just members of an organization nor were they just an extension of Old Testament Judaism They knew that they were followers of the living Lord Jesus Christ They were members of a thing called the church Through the centuries the church has been the most powerful transforming force in history Yet in America many observe it as anemic and powerless Author Elmer Towns contends that there is good news there are many things that are still right with the church *What Is Right with the Church* affirms the positive things that are present in the church today and what will carry it forward as a transforming force This book is not a defense of the traditional church nor does it run to embrace all new forms of worship Rather this book examines the biblical nature of church allowing the best to come forth It is not a book about old churches new churches or home churches It is a book about what is right about every true church no matter the expression history or culture A growing number of people are not aware of the enduring strengths of the church The author contends that if believers in Christ are to effectively move forward with healthy communities and a vibrant faith in this new century they must be established on foundational biblical truths and core values And when this happens the church thrives as a transforming force **Premium Gift Bible NLT** Tyndale,New Living Translation,2014-10 Recipient of the ECPA Platinum Award with over 1 Million Copies Sold The Perfect Gift Bible The New Living Translation Premium Gift Bible offers today's most popular features including book introductions a dictionary concordance and a durable binding at an affordable price It's perfect for individual gift giving or for churches The New Living Translation is a clear and trusted English translation of the Bible It conveys the precise meaning of the original languages in a flowing effortless writing style that promotes comfortable and meaningful reading Other features include Words of Jesus in red Introduction to the Bible **Holy Bible, Economy Outreach Edition, NLT (Softcover)** Tyndale,New Living Translation,2024-09-17 Welcome to God's life changing message Countless lives have been changed by it Numerous authorities have tried to ban it Some have burned it And many have died to preserve it As you read
