Biblical Principles Of Church Growth:

Biblical Church Growth Gary L. McIntosh, 2003-05-01 Every pastor wants to have a vibrant dynamic church There are many popular models for church growth based on outstanding churches led by outstanding pastors But unfortunately specific models are temporary and go out of style quickly Author Gary McIntosh explores the biblical principles for church growth and applies them to today's culture Instead of concentrating on the ephemeral how of church growth he focuses on the unchanging why McIntosh defines church growth as all that is involved in bringing men and women who do not have a personal relationship with Jesus Christ into fellowship with him and into responsible church membership In other words church growth is effective evangelism not a methodology for increasing membership According to *Biblical Church Growth* growing churches always evidence a desire to fulfill the Great Commission by cooperating with God in building a faithful church Using personal stories and current statistics as well as numerous biblical examples the author sets forth ten basic principles that provide an eternal foundation for helping any church large or small achieve lasting vitality and growth

Understanding the Principles of Church Growth Professor Isaac O. Ojutalayo, 2019-04-06 The author of this work Isaac Ojutalayo has done his research on the subject of leadership and church growth The contents of this book are the written evidence The eleven chapters embrace some of the most important and necessary things that leaders should learn and practise whether they are ordained ministers or lay workers in the church The principles he has written about can also be applied in circular organisation This book reveals Dr Isaac Ojutalayo's academic achievement and experimental development He has divided each chapter into readable sections that can be easily discussed and studied The book is suitable for individuals and groups who are called by God to lead His people Dr Isaac Ojutalayo is passionate that leaders be men and women of excellence whether the congregation they lead is large or small He stresses communication generosity honesty and continuing education with the highest level of trust all essential elements of church growth He points out repeatedly that the church and the world community are suffering from a crisis of leadership that bold and honest leaders are needed in the church and in the marketplace as well as in the home In my analysis he has called for transformational leaders to rise up and effect change It is very clear that he is saying that many leaders work within situations Transformational leaders change what can be talked about whereas many other leaders talk about pay offs Transformational leaders talk about goals Many leaders bargain whereas transformational leaders appeal to a common vision Dr Isaac Ojutalayo argues that desperately needed Christians and transformational leadership will not emerge until we have a model of a transforming leader I believe that Jesus Christ was and is the most effective leader the world has ever known It is with unreserved joy that I recommend this publication to those who are interested in church leadership Professor Clinton L Ryan ThD **It Can Happen Today!** G. Edwin Bontrager, Nathan D. Showalter, 1986 G Edwin Bontrager and Nathan D Showalter show that mission was the driving force of the New Testament church not an added on sideline for a few daring souls This 13 lesson church growth

study shows that the acts of the Holy Spirit can transform any congregation Challenges Christians to learn about church growth by putting into everyday practice key biblical principles **Leading Your Church to Growth** C. Peter Wagner,1984 Discover the fine art of lay followership Learn now to forge a pastor people partnership that will set the stage for dynamic growth in your church **Ten Steps for Church Growth** Donald Anderson McGavran,Win Arn,1977 [Biblical Principles of Church Growth](#) Kenneth C. Fleming,1993-01-01 *Principles of Church Growth* Wayne Weld,Donald Anderson McGavran,1974 **Biblical Principles for Church Growth** Arthur Hiebert,1989 **Evaluating the Church Growth Movement** Zondervan,2010-06-01 What exactly is the Church Growth movement This timely volume in the Counterpoints series addresses the history of the movement that has become such an enormous shaping force on the Western church today and it explores in a roundtable forum of leading voices five main perspectives on the classic Church Growth movement Effective Evangelism View presented by Elmer Towns Gospel in Our Culture View presented by Craig Van Gelder Centrist View presented by Charles Van Engen Reformist View presented by Gailyn Van Rheen Renewal View presented by Howard Snyder Each view is first presented by its proponent then critiqued by the co contributors The interactive and fair minded format allows the reader to consider the strengths and weaknesses of each view and draw informed personal conclusions Evaluating the Church Growth Movement concludes with reflections by three seasoned pastors who have grappled with the practical implications of Church Growth The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion

Biblical Principles for Church Growth [microform] : Strategies for the Contemporary Church Hiebert, Arthur,1987 **Your Church Can Grow** C. Peter Wagner,2001-01-11 Is your church healthy and growing or stagnant and dying If your church is afflicted with remnant theology spiritual naval gazing pastoral timidity hyper cooperativism or terminal ethnikitis changes are it s already dying on the vine On the other hand if your church is growing it s probably ad healthy church Healthy churches like healthy people says the author exhibit certain vital signs Wagner has his own list of 7 signs that lead can be taken as leading to good health and gives many illustrations of churches that exhibit and or don t exhibit those signs Back cover **The Application of Biblical Principles for Church Growth** Opal Reddin,1986 **The Application of Biblical Principles for Church Growth** Opal Laurene Reddin,1985 [Faithful Over a Few Things](#) George O. McCalep,1996 **The Book of Church Growth** Thom S. Rainer,1998-09-01 The Church Growth Movement has divided devout Christians Even though Rainer is an advocate his aim here is to present an objective view of the movement its history the theology associated with it and the principles which seem to separate churches that grow from those that don t **Eight Biblical Principles that Lead to New Testament Church Growth** George Keralis,1984 [Strategies for Church Growth](#) C. Peter Wagner,2010-01-01 Why Plan Strategy Is church growth theory incompatible with belief in the sovereignty of God

Does adherence to church growth principles leave out dependency upon the work of the Holy Spirit? Peter Wagner answers no to both questions. He further believes that no task could be more crucial than fulfilling the Great Commission in our generation and how to approach and plan for the execution of this task is the question of the day. *Strategies for Church Growth* addresses this key issue in a biblically pragmatic way. It brings together for the first time many principles of evangelism and missions which have proved through recent research and experience to be effective in implementing the Great Commission. It also unifies in concise form the latest research of the Church Growth Movement, the Lausanne Committee on World Evangelization, the U.S. Center for World Mission, and numerous other key contributors to the recent explosion of evangelistic technology. Among the topics explored are the major components of strategy, choosing the appropriate strategy, advantages of having a strategy, the theology of church growth, the harvest principle, and soil testing: why you should aim for church growth, characteristics of good goals, the meaning of mission and evangelism, how to target your outreach.
