Christianity Is Christ:

Christianity Is Not Religion James a. Fowler,2011-02-24 Jim Fowler explains that Christianity is not a book religion not a belief system not morality not role playing not social problem solving not an ideological option and not an ism before concluding with the positive emphasis that Christianity IS Christ **Christianity Is Not a Religion** Ifeanyi Chukwujama,2013-09-16 Christianity is not a religion Christianity is Christ in us because Jesus Christ comes into us and dwells in us when we accept Him into our lives And by Christianity I mean establishing a relationship with and having fellowship with Jesus Christ that is in case Christianity means other things to other people Jesus Christ did not call His followers Christians nor did His apostles and disciples call themselves that But in the world today we are known as Christians and we are proud to be and our faith in Christ is known as Christianity because we believe in Jesus Christ And by coming to Jesus Christ we receive life He said to the Pharisees You diligently study the Scriptures because you think that by them you possess eternal life These are the Scriptures that testify about me yet you refuse to come to me to have life John 5 39 40 Christianity is LIFE because Jesus Christ is Life and comes to live in us when we accept Him as our Lord and Savior And He told us in the Bible I come that you may have life and have it more abundantly So when you come to Christ you ve come to LIFE And you ll have life more abundantly How then did we get from life to religion Just like the Israelites before us we took the perfect gift of God and turned it into man made activities designed more to gain glory for ourselves than to give glory to God No wonder the world is getting darker and darker Religion is not about God Religion is an attempt to imitate God

The Definition of Christianity David Gooding,John Lennox, Who gets to determine what Christianity means Is it possible to understand its original message after centuries of tradition and conflicting ideas Gooding and Lennox throw fresh light on these questions by tracing the Book of Acts historical account of the message that proved so effective in the time of Christ s apostles Luke s record of its confrontations with competing philosophical and religious systems reveals Christianity s own original and lasting definition Christianity is Christ William Henry Griffith Thomas,1909 **Christianity Is Christ** W. Griffith Thomas,1988-03-01 What makes Christianity unique This careful study on the person and work of Jesus Christ demonstrates that He is the focus of the Christian faith The Christianity of Jesus Christ Mark Guy Pearse,1800 **What Is Christianity?** Herman Bavinck,2022-01-01 In this book Dutch theologian Herman Bavinck 1854 1921 provides a historical sketch on the nature of Christianity and the unifying power of Christ He proceeds from unity to diversity on what the Christian church agrees and the areas where it differs It is apologetic and evangelistic ecumenical and Reformed and historical and theological in scope In this succinct book Bavinck traces the history of Christian doctrine and life distinguishing the East from the West and then focusing on the West through the Reformation to the twentieth century Both at the beginning and the end of the book he places before the reader what he deemed the most important religious and theological question of the day Who is Jesus It is no small task which Dr Bavinck has undertaken to tell in sixty two small

pages all that Christianity is and that in a series in which it is brought into comparison with other great religions He has fulfilled this task however in a most admirable manner His method is first to point out what all Christians are agreed upon and then to give an historical account of Christianity in its origins and its progressive manifestations in the great forms of the Orthodox Eastern the Romish the Lutheran Reformed Churches with further descriptions of the forms it has taken since in Anabaptism and Socinianism and the New Protestantism rooted in the Enlightenment His plan thus resolves itself into an informal sketch of the historical development of Christianity This sketch is written with remarkable grasp of details and an equally remarkable power of synthesis We cannot imagine how the work could be done better B B Warfield *What is Christianity? The third edition* Thomas Vowler SHORT (successively Bishop of Sodor and Man and of St. Asaph.),1847

Who is Jesus Christ Charles Holmes Sr.,2021-02-09 There is only one body and one spirit even as ye are called in one hope of your calling one Lord one faith one baptism one God and Father of all who is above all and through all and in you all Ephesians 4 4 6 There is only one true living God the God that made heaven and earth There is only one church the body of Christ which is a body of believers in Christ through the gospel There is one faith Christianity Jesus saith unto him I am the way the truth and the life No man cometh unto the Father but by me John 14 6 Jesus is not a way but the way he is the door to eternal life Neither is there salvation in any other for there is none name under heaven given among men whereby we must be saved Acts 4 12 Jesus Christ is the savior of the world the redeemer God in human flesh Ye are my witness saith the Lord and my servant whom I have chosen that ye may know and believe me and understand that I am he Before me there was no God formed neither shall there be after me I even I am the Lord and beside me there is no savior I have declared and have saved and I have shown when there was no strange god among you Therefore ye are my witnesses saith the Lord that I am God Isaiah 43 10 12 Thus saith the Lord the king of Israel and his redeemer the Lord of hosts I am the first and I am the last and beside me there is no God Isaiah 44 6 The true and living God must be able to redeem his follower from sin or he is not God because there is nothing too hard for God For God to forgive your sin something or someone must die in your place and atone for your sin by his blood Because without the shedding of blood is no forgiveness of sin Hebrews 9 22 Once you believe the gospel of Jesus Christ the blood of Jesus cleanses your sin then God forgives your sin God cannot forgive your sins until it is cleansed by the blood of Jesus I am alpha and omega the beginning and the end saith the Lord which is and which was and which is to come The Almighty Jesus Christ is saying that he is Almighty God in the flesh our redeemer No one can forgive and redeem you from your sin but God Almighty You cannot work off sin it must be redeemed and the redeemer must be sinless because a sinner cannot redeem another sinner **Christianity Is Christ** W. H. Griffith Thomas,2015-06-02 Excerpt from *Christianity Is Christ* Christianity is the only religion in the world which rests on the Person of its Founder A man can be a faithful Mohammedan without in the least concerning himself with the person of Mohammed So also a man can be a true and faithful Buddhist without knowing anything whatever about Buddha It is quite different with Christianity Christianity is

so inextricably bound up with Christ that our view of the Person of Christ involves and determines our view of Christianity. The relation of Jesus Christ to Christianity differs entirely from that of all other founders towards the religions of philosophies which bear their names. Platonism for example may be defined as a method of philosophic thought from Plato. Mohammedanism as the belief in the revelation vouchsafed to Mohammed. Buddhism as the following of principles enunciated by Buddha. But Christianity is an essence adherence to the Person of Jesus Christ. It has also been pointed out that Christianity alone of the great religions of the world calls itself by the name of its Founder and that while we call other religions by the names of their founders the adherents of these religions do not call themselves by these names. This fact is full of very deep meaning.

Am I Really a Christian? (Foreword by Kirk Cameron)
Mike McKinley, 2011-06-07. Jesus divided the world into two groups: those who follow him and those who don't. But what happens when someone thinks he or she is a Christian but isn't? With his witty, engaging style, Mike McKinley takes readers on a journey of what it means to be a Christian. He asserts that manipulative evangelism techniques and a poor understanding of the gospel have resulted in an abundance of professing Christians who have no idea what it means to follow Christ. Each chapter title begins with "You're not a Christian if..." when just because you... As he surveys what it means to be Christian, McKinley offers criteria for evaluating one's standing before God. Readers are guided through a series of challenges to reflect, repent, remember, and report to another person. *Am I Really a Christian?* ends with chapters on salvation and the local church. This unique book is written for nominal or new Christians and can be used in personal or small group study.

What Is a Christian? Ryan M. McGraw, 2014-04-21. What is a Christian? This is a truly vital question because never-ending happiness or everlasting horror hinges upon understanding the correct biblical answer to it. Yet few questions have provoked so much confusion. Ryan McGraw lays out what it means to be a Christian in terms of what one believes, what one experiences, and what one does: a full-orbed Christianity of head, heart, and hands. If you are investigating what it means to follow Jesus Christ, if you are wrestling with the question of whether you are truly saved, if you desire to grow as a Christian by getting back to the basics, or if you are seeking to help others, here are simple and clear answers from the Holy Scriptures.

Christ Is Christianity Augustus Rose, 2005. **Basic Christianity** John Stott, 2019-10-01. Who is Jesus Christ and what does it mean for us? John Stott's classic book with updated language and study questions examines the historical facts on which Christianity stands. With thoughtful pastoral guidance, Stott presents a biblical portrait of Christ and the evidence that

supports it He then considers our need for salvation how we should respond to the gospel and what it looks like to live as a Christian What Really Is Christianity, Second Edition Austin de Bourg,2014-12-19 Discover who God intends for you to be and how to fulfil your God appointed purpose This book is a wakeup call to slumbering Christians It addresses the urgent need for Christians to return to Jesus Christ and His Christianity and to passionately pursue a personal intimate relationship with Him the Father and the Holy Spirit It takes you deeper in Christ and propels you to put your Christian faith into action and advance the Kingdom of God Too much is at stake for you not to know what really is the Christianity that Jesus Christ has prepared especially for you In his unique simple style author Austin de Bourg leads Christians into the full understanding of their faith as he unveils Christianity from God s perspective This book takes the subject of Christianity to a dimension where modern literature on the topic rarely ventures It reveals truths from the Word of God on the supernatural birthright and heritage of Christians and Christianity and answers questions on the seldom taught doctrine of the reality and conflict of the dual nature of Christians What Really is Christianity points out the importance of Christians knowing and keeping their divine lineage and heritage alive not only for their benefit but for the benefit of those who would carry on the faith Like the early Christians who knew who they were this generation and the generations to come would be able to live and function as Christ ordained and as such successfully changed their world In this book author Austin de Bourg deals frankly with the misconceptions of Christianity which many earnestly practice today warning of the dangers of replacing relationship with God with religion which in fact keeps us from coming to God Not only does the author diagnose the present malady of Christians and Christianity but he prescribes the corrective treatment In so doing he identifies with precise clarity the Christianity that Christ established and left for us to follow Both Christians and non Christians alike will benefit from this insightful work pregnant with the author s personal intimate experience with the Trinity and his passion to see everyone experience the superior quality of life that he himself has come to know and experience through Christ s Christianity

The Universal Christ Richard Rohr, 2019-03-05 **NEW YORK TIMES BESTSELLER** From one of the world's most influential spiritual thinkers a long awaited book exploring what it means that Jesus was called Christ and how this forgotten truth can restore hope and meaning to our lives Anyone who strives to put their faith into action will find encouragement and inspiration in the pages of this book

Melinda Gates In his decades as a globally recognized teacher Richard Rohr has helped millions realize what is at stake in matters of faith and spirituality Yet Rohr has never written on the most perennially talked about topic in Christianity Jesus Most know who Jesus was but who was Christ Is the word simply Jesus's last name Too often Rohr writes our understandings have been limited by culture religious debate and the human tendency to put ourselves at the center Drawing on scripture history and spiritual practice Rohr articulates a transformative view of Jesus Christ as a portrait of God's constant unfolding work in the world God loves things by becoming them he writes and Jesus's life was meant to declare that humanity has never been separate from God except by its own negative choice When we recover this fundamental truth faith becomes less about proving Jesus was God and more about learning to recognize the Creator's presence all around us and in everyone we meet Thought provoking practical and full of deep hope and vision *The Universal Christ* is a landmark book from one of our most beloved spiritual writers and an invitation to contemplate how God liberates and loves all that is

The Christianity of Christ Robert Francis Coyle, 2015-06-13 Excerpt from *The Christianity of Christ* To learn what the religion of Christ is and what it requires we must turn from the traditions of men to what Jesus himself did and taught This we have very simply and beautifully recorded in the Gospels the first three of which are accepted as genuine by skeptics and Christians alike There is no respectable scholarship anywhere that presumes to discredit the historical testimony of Matthew Mark and Luke and it is to the last of these that our text refers when it speaks of the former treatise About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a
