## **Christians Survival Guide:**

*A Christian Survival Guide* Ed Czerwinski, 2014 No one ever plans to fail in their faith We all think we ll be the kind of Christian who follows the straight and narrow ending our days with the relief of knowing we were ultimately a good and faithful servant So why do so many leave that road What enables some to survive as Christians when so many others have faltered With *A Christian Survival Guide* Ed Czerwinski steps up to be your trail guide and provide some possible answers He addresses some of the biggest toughest questions in Christianity including Disturbing Bible stories Hell and what it means Does the Bible have to be true The question of evil Money and the church Evangelizing when no one wants to listen Candid and wry Czerwinski deals with the tension of hard questions without resorting to empty answers cliches relativism or the smug certainty that can so often drive seekers and strugglers further away This popular blogger also has a knack of making long ago biblical figures absolutely recognizable in today s issues This survival guide is not meant to be a one size fits all handbook It is a first step to confronting the big issues and challenges of a life of faith even the ones that Christians fear most Czerwinski writes for those who both care and question deeply and offers survival tips to help readers move from living on the edge to a place of health and life

**A Christian Survival Guide** Ed Czerwinski, 2014-06-11 What enables some to survive as Christians when so many others falter Without resorting to empty answers clic s relativism or smug certainty *A Christian Survival Guide* provides an accessible and safe place to deal with issues that can give Christians sleepless nights By focusing on spiritual practices discussing solutions to faith struggles and offering perspectives from multiple Christian traditions this survival guide moves readers into a thriving relationship with God even if that means not necessarily finding all the answers *A Christian Survival Guide* doesn t run away from the big tough questions of life like Does the Bible have to be true Where is God in an evil world Did God sanction genocide Is hell eternal conscious torment Does money keep us from following Jesus

**The Survival Guide for Christians Living in a Fallen World** Melvin Douglas Wilson, 2021-10-18 *The Survival Guide for Christians Living a Fallen World* is another tremendous book written by Melvin Douglas Wilson This book addresses the many problems that most Christians face in the world today and provides a Spiritual solution to help navigate the moral decay in the world This book also looks at past Church cultures and teachings to help provide solutions for current problems in today s society There are currently more Christian cults in the United States of America than at any other time in the history of this great country of ours and many people are now simply walking away from God We must all give diligence to make your calling and election sure in these last and evil days 2nd Peter 1 10 These Christian based written narratives will come to life with the graphically designed pictures that will help you to pain a picture in your mind concerning the Biblical themes in these stories The author also uses metaphorical thinking in many of these written narratives in line with Biblical teaching

**Christian Survival Guide** Christopher Roberts, 2017-05-18 This mini book will provide you with seven steps along the path of righteousness encouraging Christians that God is with them no matter what Even though this Christian

Survival Guide is short it will provide readers with a taste of the kind of books I am writing to encourage the body of Christ today as we prepare for the Second Coming of Jesus Christ our Lord and Saviour The first step to Christian survival will consider that God wants to restore those who may have been going through difficult times in their lives It s very easy for a Christian to loose their spiritual edge especially if they have been going through circumstances that have required all their attention We shall consider how to rely more on God to motivate our spirituality in these last days of time The second step to Christian survival will focus on how to exercise patience and love towards those in our churches and fellowships those who may not conform to the way that we do things in the Kingdom of God In this chapter we shall consider how to exercise patience and love rather than being overly critical and judgemental towards those in need of help and guidance in their lives The third step towards Christian survival will evaluate the difference between judgment and spiritual discernment In the first half of this chapter we shall consider how to correctly judge one another In the second half of this chapter we shall consider the need to use discernment when facing some of the false doctrines that are invading our churches today The forth step to Christian survival will discuss how to be led by the Holy Spirit rather than adhering to a legalistic code of practice that many churches observe today Christianity is not about observing some specific doctrine or even looking good before others it s about obeying God and experiencing the leading of the Holy Spirit in our individual lives even though that leading may be different to how God leads other people in their day to day walk with him The fifth step to Christian survival will analyse the correct appropriation of God s grace in our lives We need grace to help us seek God until he sets us free from the temptations and sins that plague many christians today something that cannot be achieved through the observance of some law telling us that we should not sin The penultimate key to Christian survival will attempt to gain an understanding between faith and works works will not bring us to Christ However faith without works is dead Therefore we shall consider the right balance that we need to achieve between faith and works The final step to Christian survival will discuss the need to be prepared to let God change us from vessels of dishonour into vessels of honour fit for the Master s use God is able to do this by allowing many of us to pass through various trails and difficulties that affect people today Rather than running away from such trials and tribulations God may be trying to speak to us and change us more into the image of his Son Jesus Christ It is my prayer that this short book will encourage you to face whatever it is that comes against your life and turn it into something good that will benefit both you and the Kingdom of God at the same time Genesis 50 20

**THE YOUNG CHRISTIAN'S SURVIVAL GUIDE** Donald T. Williams, 2019-07-19 Some of the questions asked and answered in THE YOUNG CHRISTIAN S SURVIVAL GUIDE are You claim the Bible is inspired because it says it is right 2 Tim 3 16 Isn t that circular reasoning You claim the Bible was inspired but there was no inspired list of which books that is true of So how can we know which ones to trust With so many different copies of manuscripts that have 400 000 variants errors how can we even know what the Bible says Why can t the people who wrote the four Gospels get their story straight Didn t the Council of

Nicaea just arbitrarily pick the books for the Bible that they agreed with and suppress all the rest with political power People used to believe in miracles because they didn't understand science Don't we know better than that now That a man rose from the dead takes a lot of believing How could you ever have enough evidence for a belief like that Science has proved that human beings evolved over millions of years rather than being created in six days Why are you still clinging to ancient myths Just because the Bible is true for you why does that make it true for me How can you base your modern life on a book that was written for a primitive culture Doesn't the Bible support genocide Doesn't the Bible support racism Doesn't the Bible support slavery Doesn't the Bible support homophobia Doesn't the Bible support the oppression and abuse of women There are so many religions all sincerely seeking the same goal What makes you Christians so arrogant that you think yours is the only way What about those who have never heard the Gospel If God is a God of love why did he let my loved one die How can it be just for God to impose an infinite punishment Hell forever for finite sins These questions will be asked and answered with reasonable rational Scriptural answers

**Christian Survival Guide** Chris Roberts,2015-11-24 This mini book will provide you with seven steps along the path of righteousness encouraging Christians that God is with them no matter what Even though this Christian Survival Guide is short it will provide readers with a taste of the kind of books I am writing to encourage the body of Christ today as we prepare for the Second Coming of Jesus Christ our Lord and Savior It is my prayer that this short book will encourage you to face whatever it is that comes against your life and turn it into something good that will benefit both you and the Kingdom of God at the same time Genesis 50:20
