Between Camelots:

Between Camelots David Harris Ebenbach, 2005-10-30 *Between Camelots* is about the struggle to forge relationships and the spaces that are left when that effort falls short In the title story a man at a backyard barbecue waits for a blind date who never shows up He meets a stranger who advises him to give up the fight to walk away from intimacy altogether and stop getting hurt The wisdom or foolhardiness of that approach is at the heart of each of these stories In I ll Be Home a young man who has converted to Judaism goes home for Christmas in Miami and finds that his desire to connect to his parents conflicts with his need to move on *The Movements of the Body* introduces us to a woman who believes that she can control the disintegration of her life through a carefully measured balance of whiskey and mouthwash These are stories about loss and fear but also about the courage that drives us all to continue to reach out to the people around us
