to blame The same thing is happening right now with a lot of animals and birds Just as sure as that fire is burning fifty years will see a lot off them extinct unless they are better protected The hunters of the pigeon didn t believe it any more than you believe it about the rats On the level Alec do you think it a square deal to take a rat in the only place he s got to stay in the winter Oh I m not taking them that way Alec protested with some haste I believe in respecting the law even if it is a fool law But is it a fool law I don t think so said Walter quietly In a boxing match it is a foul to hit a man when he s down Tisn t in a lumberman s fight Alec broke in If a man s down so much the better Then you ve got him That s the thing to do
