

A close-up, low-angle shot of a person's hands and arms, possibly in a dark, confined space, with dramatic lighting. The person's hands are positioned as if they are about to perform a task, with one hand resting on the other. The lighting is warm and focused, creating strong highlights and deep shadows. The background is dark and textured, suggesting a cave or a similar environment.

There are two kinds of brave
men: those who are brave by the
grace of nature, and those who
are brave by an act of will.
