Studies in Preparation for the California Reading Competency Test presents a unique concise case based approach covering
all domains concepts strategies and assessments required by the RICA It s the ideal resource for pre service teachers who
want practice in synthesizing and analyzing assessment and strategies for reading in the K 8 classroom for credential
candidates who need to prepare to succeed in taking the Reading Instruction Competence Assessment RICA and for in
service teachers who want to enhance their assessment and instruction while increasing students learning **Case Studies
in Preparation for the California Reading Competency Test** Rossi, Schipper, 1998-12 This concise case based text will
help pre service and practicing teachers prepare for the challenging California Reading Initiative Competency Assessment
RICA Drs Rossi and Schipper cover all domains concepts strategies and assessments required by RICA The cases cover a
wide variety of student profiles and grade levels reflecting CA s school population and include a variety of scenarios for
whole classes groups and individual students But the usefulness of this text goes well beyond RICA preparation it s a terrific
companion to any literacy methods text in teacher preparation courses at undergraduate and graduate levels The real life
scenarios reflect the literacy learning situations teachers encounter in actual classrooms and help teachers place their
knowledge of reading methods and strategies into realistic contexts All cases reflect research based concepts and strategies
covered in all major reading methods and diagnosis texts used in colleges and universities throughout the state of California
