

The Complete Conductor

Compleat Conductor

Marco Casella

Compleat Conductor:

The Compleat Conductor Gunther Schuller, 1998-12-10 A world renowned conductor and composer who has lead most of the major orchestras in North America and Europe a talented musician who has played under the batons of such luminaries as Toscanini and Walter and an esteemed arranger scholar author and educator Gunther Schuller is without doubt a major figure in the music world Now in *The Compleat Conductor* Schuller has penned a highly provocative critique of modern conducting one that is certain to stir controversy Indeed in these pages he castigates many of this century's most venerated conductors for using the podium to indulge their own interpretive idiosyncrasies rather than devote themselves to reproducing the composer's stated and often painstakingly detailed intentions Contrary to the average concert goer's notion all too often shared by the musicians as well that conducting is an easily learned skill Schuller argues here that conducting is the most demanding musically all embracing and complex task in the field of music performance Conducting demands profound musical sense agonizing hours of study and unbending integrity Most important a conductor's overriding concern must be to present a composer's work faithfully and accurately scrupulously following the score including especially dynamics and tempo markings with utmost respect and care Alas Schuller finds rare is the conductor who faithfully adheres to a composer's wishes To document this Schuller painstakingly compares hundreds of performances and recordings with the original scores of eight major compositions Beethoven's fifth and seventh symphonies Schumann's second last movement only Brahms's first and fourth Tchaikovsky's sixth Strauss's Till Eulenspiegel and Ravel's Daphnis et Chloe Second Suite Illustrating his points with numerous musical examples Schuller reveals exactly where conductors have done well and where they have mangled the composer's work As he does so he also illuminates the interpretive styles of many of our most celebrated conductors offering pithy observations that range from blistering criticism of Leonard Bernstein one of the world's most histrionic and exhibitionist conductors to effusive praise of Carlos Kleiber who is so unique so remarkable so outstanding that one can only describe him as a phenomenon Along the way he debunks many of the music world's most enduring myths such as the notion that most of Beethoven's metronome markings were wrong or unplayable or that Schumann was a poor orchestrator and takes on the cultish clan of period instrument performers observing that many of their claims are totally spurious and chimeric In his epilogue Schuller sets forth clear guidelines for conductors that he believes will help steer them away from self indulgence towards the correct realization of great art Courageous eloquent and brilliantly insightful *The Compleat Conductor* throws down the gauntlet to conductors worldwide It is a controversial book that the music world will be debating for many years to come

[The Compleat Conductor](#) Gunther Schuller, 2023 Schuller one of America's leading contemporary musicologists puts forward his own principles of conducting then analyses in detail several classical masterpieces comparing the composers original notation to the way conductors interpret them

The Complete Conductor's Guide to Laban Movement Theory Lisa A. Billingham, 2009 Movement is at the core of conducting

and Rudolf Laban 1879 1958 is considered perhaps the most influential scholar of human movement His ideas have shaped the practice of dancers for generations but are significantly less known among conductors This concise book is a thoughtful and practical introduction to Laban s life and theories perfect for conductors seeking to better connect their understanding of a musical score to their actions on the podium Publisher The Complete Conductor Robert W. Demaree, Don V. Moses, 1994 For a one two semester course in Basic Conducting Introduction to Choral Conducting Introduction to Instrumental Conducting Direct practical and comprehensive this text addresses the conducting needs of beginners through working professionals Using a modular structure that allows a focus on either choral or instrumental content or both it covers conducting theory style periods technical problems and conducting patterns using examples ranging from short works to multi movement masterpieces Watchwords Mark Davidson, 2001 Integrates and transcends the latest editions of Strunk White Fowler the Associated Press stylebook and others and where authorities disagree offers possible solutions *Writings, Collected and Ed. with a Life and Introd* Benjamin Franklin, Albert H. Smyth, 1906 **Conductors Anthology: Conducting and musicianship** ,1989 **The Writings of Benjamin Franklin: 1783-1788** Benjamin Franklin, 1906 **The Complete Works of Benjamin Franklin** Benjamin Franklin, 1887 *Proceedings* Association of Railway Electrical Engineers, 1912 Proceedings of the Institution of Electrical Engineers Institution of Electrical Engineers, 1929 Vols for 1970 79 include an annual special issue called IEE reviews The Journal of the Institution of Electrical Engineers ,1929 The Mathematical Theory of Electricity and Magnetism James Jeans, 1908 Popular Mechanics Henry Haven Windsor, 1917 **Popular Mechanics Shop Notes** ,1919 **Popular Mechanics** ,1917 Musical News and Herald ,1924 Annual Report Great Britain.
