Speaking with Spirit A Guide for Christian Speakers was deemed the most thorough treatment on the subject of public speaking I have ever seen by Linus Wright Former Under Secretary in the U S Department of Education Vassallo published a former edition of this book in 1990 which was declared a must for an excellent collection of books of this genre by the American Library Association Endorsements This extraordinary piece of work is the most thorough treatment on the subject of public speaking I have ever seen Speaking with Spirit is full of factual information organized in easily recognizable categories I was particularly gratified to find not only a catalog of possible openings for different types of speeches but also an example of each taken from a successful presentation When you have finished Wanda s book you will regard speaking before an audience as something to anticipate with confidence and optimism

LINUS WRIGHT Former Under Secretary U S Department of Education and Dallas Schools Superintendent At last A public speaking book written especially for Christian speakers Wanda s book will serve as a trusted guide for the novice speaker as well as a valuable reference for the experienced speaker cast onto unfamiliar turf such as appearing on television for the first time Her examples of different genres of speeches tailor made for Christian audiences provide a treasure trove of proven material
