The Father Factor Kenneth Osborne,2015-05-05 Families today come in many different shapes While father absence is a significant problem the present father brings with him many challenges and opportunities for family life in America Fatherhood has many looks but there is one common theme in many instances A desire by the father to have a positive impact in his child s life Whether the father shows up on a daily and consistent basis or is there only on occasion he is a factor Kenneth OsborneIn *The Father Factor What Happens When Daddy Is Home* Kenneth L Osborne explores the reality of fatherhood in America The changing family means acknowledging that multiple family structures exist and that fatherhood is not a homogenous one size fits all experience nor should there be one and the same expectation of all fathers Instead Osborne discusses the various ways fathers can show up from super engaged to hanging out on the fringes of their children s lives and how the various ways fathers show up affect their families and children From the single dad to the stepdad to the gay dad to the married and at home dad to the cohabitating dad to the incarcerated dad to the divorced dad these men make up the tapestry of fathers In a day when father absence is expensive in social emotional psychological financial and other ways it s time to embrace and encourage the fathers who dare to show up even in their imperfect ways After all we know what happens when dad is away but let s consider what it means when he is around Let s discuss **The Father Factor** **Do Fathers Matter?** Paul Raeburn,2014-06-03 In *Do Fathers Matter* the award winning journalist and father of five Paul Raeburn overturns the many myths and stereotypes of fatherhood as he examines the latest scientific findings on the parent we ve often overlooked Drawing on research from neuroscientists animal behaviorists geneticists and developmental psychologists among others Raeburn takes us through the various stages of fatherhood revealing the profound physiological connections between children and fathers from conception through adolescence and into adulthood and the importance of the relationship between mothers and fathers In the process he challenges the legacy of Freud and mainstream views of parental attachment and also explains how we can become better parents ourselves [www Amazon com](http://www.Amazon.com) *The Father Factor* Peter O'Shea,Robert Falzon,2014 *The Father Factor* prompts the reader to consider the evidence on what drives success and happiness What emerges from the research is the finding that the relationships with the father and the mother tend to powerfully affect long term happiness financial success and work success The resolution of one s relationships with father and mother then is pivotal to the pursuit of success and happiness Because father child relationships have tended to break down more dramatically in contemporary society than mother child ones this book gives particular emphasis to father child ones In seeking to help the reader to resolve the crucially important relationships with parents and navigate the journey to wholeness the book provides various evidence based strategies illuminating case studies and links to useful resources **I am Your Father** Mark Stibbe,2012-09-12 We live in an increasingly fatherless society Fatherless children are far more likely to be criminals or victims In January 2009 Mark quit as the senior leader of a successful and progressive Anglican

congregation to found a ministry called The Father s House dedicated to taking the Father s love to the fatherless The task of the family of God is to take the Father s love to the fatherless To do this those who are already members of God s family need to have their father wounds healed This book will help those with hearts broken by their earthly fathers to find in their Heavenly Father the love of all loves In Part 1 Mark describes the different ways in which fathers can hurt their children In Part 2 he goes deeper defining the wound as the orphan heart and describing the main symptoms of this condition in peoples lives In Part 3 he shows how Christians can find true healing through experiencing the Spirit of adoption *The Heart of a Father* Ken Canfield PH.D.,2006-04-01 Every father has a hidden longing to see his children surpass him To help him achieve this Ken Canfield offers a three part plan First a dad should examine his own heart Next he should take steps to improve the way he connects with his children Lastly he should take a longer range view and plan specifically for a lifetime of involved fathering Canfield s plan addresses a father s past a father should resolve his relationship with his own father in order to effectively build a relationship with his children Canfield also explains how to build the four walls or dimensions of fathering involvement awareness consistency and nurturing He then supplies a plan for the future From being a new father to being a grandfather dads face challenges at each stage of their life With the long range perspective this book provides fathers can anticipate and prepare for the changing situations they ll face Based on years of careful research involving thousands of fathers this book is a solid reference tool for dads **Field and Stream** ,1922 **The Dad Factor** Richard Fletcher,2011 Fathers are told that they should be involved with their baby but not how to go about building the connection In this stimulating book Richard Fletcher a pioneer researcher on fathers role with young children provides the hard evidence and practical guidance for fathering that builds children s brains and capabilities **Good Men** Jack Feuer,1997 How can a father help his child weather the emotional aftermath of divorce How can he make his kids feel at home even if they stay with him only a small percentage of the time Jack Feuer a divorced father himself offers hard won wisdom and practical information on how newly single dads can make good lives for themselves and their children Essential reading for good men everywhere The Differential Dam, "D.A.D." George Edward Ladshaw,1906 **The Daddy Factor** Bonnie K. Winn,2011-07-15 ELEMENTARY MATH Amanda Ryan Disaster Amanda Ryan Success Amanda Ryan Daddy Factor Both Amanda Thorne was minus one husband one she needed since all her pals thought she already had one Ryan West was plus one wife one he didn t need but had at least on his bank records That nonexistent wife s signature was essential for Ryan to put through a big deal So Amanda plus Ryan a weekend in exchange for a signature could only equal success for them both right Well yes but that was without the Daddy Factor **Co-operation** ,1912 **Co-operation** L. L. Plummer,1912 Children ,1927 **Venus Envy** L. Jon Wertheim,2009-03-17 A behind the scenes look at the hugely popular and often controversial world of women s tennis featuring such household names as Venus and Serena Williams and Anna Kournikova At a time when attendance and TV ratings for women s tennis are at an all time high Sports Illustrated writer L Jon Wertheim

draws on his investigative talents and knowledge of the game to infiltrate the heretofore closed locker rooms of the women's tour and chronicle this remarkable era in the sport's history. With a narrative sweep that rockets along like a Venus Williams serve, it takes the reader from the year's first Grand Slam tournament where a top player ignited a firestorm of controversy when she decided to come out to Venus' epochal victory at Wimbledon to the U.S. Open where Serena Williams defends her title and all the whistle-stop tournaments in between where the Russian vixen Anna Kournikova sent hormonally challenged teenagers not to mention male sportswriters into a frenzy. Venus Envy offers the reader the equivalent of a center court seat and an all-access locker room pass. The book will contain a wealth of previously unreported inside-the-locker-room anecdotes about the marquee names in women's tennis and should engender much off-the-book page coverage. There are more identifiable stars than ever before and the rivalries are intense and often rancorous. The book will even appeal to those readers with only a passing interest in tennis since many of the players have transcended the sport, appearing on the covers of magazines like GQ, Rolling Stone, and Vogue.
