Competition Control At Work:

Competition and Control at Work Stephen Hill,1981 Professional Knowledge and Educational Restructuring in Europe I.F. Goodson,Sverker Lindblad,2011-07-23 European welfare institutions such as education and health care are restructuring their organisations in terms of decentralisation deregulation privatization and so forth As a consequence professional positions and demands on professional competencies in these institutions are in transition At the same time European societies are changing in different ways e g in terms of a knowledge society as well as in demographic and cultural changes Professionals such as teachers and nurses are meeting such changes in their work with students and clients Thus there is a need to study these transitions and changes Here we are doing this from a bottom up perspective where we are comparing experiences in different institutional and national contexts This study combines two kinds of narrative research a study of the systemic narratives produced by governments who are restructuring educational systems and the life history narratives of those professionals working within those systems and their perspectives on ongoing restructuring
