Morgan, 2019-08-13 Everyone has experienced pain No one is immune from loss and suffering With all of the evil in this world how can anyone rationally believe in a good and loving God People who believe in God experience intense evil yet they still retain their faith claiming that God helps them in times of need Still others claim that this same evil is proof that God does not exist that if God were real he would limit the suffering If you have ever thought that it seems that things should be a certain way that you are inclined toward believing or not believing in God because of the existence of evil you are part of the conversation of the abductive problem of evil This book does more than just explore what modern philosophers on both sides of the aisle have claimed about God and evil It also illuminates an intricate world that is crafted for people having free will for people who make moral choices For it is within the realm of this intricate world that we may find the answers we seek **Echoes of Eden** Eddie Dutra, 2016-06-24 The neoliberal theologians who intend to repaint Christianity say they are reacting to the errors and abuses within the church against the false promises of the Prosperity theology and the modern Pharisees who use

legalism as a means of oppression and control The truth however is that they incur in the same mistakes of them Those of the Prosperity Gospel or those of the postmodern church philosophy lead the ministry according to peoples desire not according to Gods interests or the true spiritual need of people The Prosperity theology adapted to a greedy society that sees Jesus only as the multiplier of loaves and fishes and a free healer therefore it gave them what they wanted The postmodern Christians changed the speech and emphasis but reproduced the same pattern of ministry When we compare them both groups are alike they all use pragmatism as foundation for ministry thus their teachings are unbiblical their practice unethical and its results devastating to the Christian faith The new painters take advantage of the mistakes of some groups of the evangelicalism with this they find the opportunity to throw out the baby with the dirty bathwater they throw away the true Gospel along with the errors of the church Such opportunism is clearly detected in their effort to establish a stereotype to represent historic Christianity as a group of ignorant and devoid of love Fundamentalist fanatics while they pose as open minded good boy preachers and love givers with no trace of prejudice By opposing legalism these men went to the other extreme they became libertines Thus their offered antidote became worse than the poison itself The neoliberal theologians came not to bring healing to the churchs problems rather they aggravated it They are opportunists who are creating a neo Christianity under the perspectives of this new postmodern world

Unruly Catholics from Dante to Madonna Marc DiPaolo,2013-10-03 During the Second Vatican Council the Roman Catholic Church went through a period of liberal reform under the stewardship of Popes John XXIII and Paul VI Successive popes sharply reversed course enforcing conservative ideological values and silencing progressive voices in the Church Consequently those Catholics who had embraced the spirit of Vatican II were left feeling adrift and betrayed In Unruly Catholics from Dante to Madonna scholars of literature film religion history and sociology delve into this conflict and historically similar ones through the examination of narratives by and about rebellious Catholics Essays in Unruly Catholics explore how renowned Catholic literary figures Dante Alighieri Oscar Wilde Graham Greene Evelyn Waugh and Gerard Manley Hopkins dealt with the disparities between their personal beliefs and the Church s official teachings Contributors also suggest how controversial entertainers such as Madonna Kevin Smith Michael Moore and Stephen Colbert practice forms of Catholicism perhaps worthy of respect Most pointedly Unruly Catholics addresses the recent sex abuse scandals considers the possibility that the Church might be reformed from within and presents three iconic figures Thomas Merton Dorothy Day and C S Lewis as models of compassionate and reformist Christianity Humility Gavin Ortlund,2022-12-19

Cultivating Humility in a Gospel Centered Way There are many misconceptions about what it means to be humble Some think that being humble means hiding your talents and abilities or being weak and inauthentic But the Bible paints a different picture defining humility as a self forgetfulness leading to joy and explaining that it is a life giving virtue that frees you from the restricting needs of your ego In Humility The Joy of Self Forgetfulness Gavin Ortlund encourages readers that humility is not just an abstract virtue but a mark of gospel integrity Ortlund examines humility both on a personal level and in the context of the church giving examples of ways to cultivate it including meditation on the gospel and practicing intentional gratitude Drawing from Philippians 2 and historical texts such as C S Lewis s Mere Christianity and Jonathan Edwards s sermon A Christian Spirit Is a Humble Spirit Ortlund defines humility in light of the incarnation and death of Jesus Christ casting a vision for a gospel centered humble life First Book in the Growing Gospel Integrity Series Created in partnership with Union School of Theology with future volumes written by Sinclair B Ferguson Joe Rigney and Conrad Mbewe Written by Gavin Ortlund Author of Theological Retrieval for Evangelicals Why We Need Our Past to Have a Future and Finding the Right Hills to Die On The Case for Theological Triage For Small Groups and Individual Study Questions at the end of each chapter encourage small group discussion [Shaken Faith](#) Sanejo Leonard,2015-04-23 When your faith no longer works and the catch phrases and Christianese that got you to where you are cannot take you past your current crisis what do you do Is doubt okay Is it okay for Christians to struggle with what they believe Is it okay to question God This book takes an honest and in depth look at faith crises experiences from interviews with sixty people and five biblical narratives addressing head on the issues of doubt and times of questioning one s faith Shaken Faith outlines a biblical perspective and a fresh way of viewing doubt the questions Christians experience in their faith and faith crisis moments In order for faith to be real it must be challenged and shaken so that the depth of the faith can be rooted in an unshakable God [The C.
