Today seeing a girl walking down the street displaying her thong panties above her hip line or revealing her butt s crease line just above offset pants is no unusual sight Similarly it would have been humiliating a few decades ago to discuss one s sexual preferences openly or even to show one s pleasure in oral or anal sex Each man and woman today treat oral anal and other forms of sex as a natural item and appropriate for their mutual pleasure Additionally sexual positions and role handling in bed is also a must as nowadays it is said to be effective in helping to give both partners the gratification needed that can lead to an orgasm or some form of sexual climax that satisfies each other This book covers the following topics Erotic games The techniques of tantra massage for beginners How to talk dirty in an erotic way Getting in the mood Rules of the game Sexual fantasies The importance of foreplay Ways to make you last longer in bed Why there s need for sex and the use of different sex positions in a relationship Tantra Kamasutra Sex Games Advice for Beginners Sex Positions for Beginners How to Discover Your Sexual Fantasies and Fetishes Have Fun and Play Dirty Spice up Your Locations Beyond the Bedroom And much more I know you are exciting now to read this book All you need to do is click the buy button and start to memorize and apply it
