Deadly Contest Charles Sterbakov,2002-03-20 In a small poverty stricken island in the Caribbean the lives of four people become enmeshed in a life or death struggle Father Marinet President for life and absolute ruler of the tiny nation who will use any means available to hold onto power Martin the most hated man on the island who is not what he appears to be Stefan a spoiled playboy who finds he must learn to kill to live and Alicia Stefan s sister who is too shy for her own good Together they form a powder keg that explodes during an international beauty contest *Deadly Contest* Charles R Sterbakov,2012-07 The Caribbean Islands known for their crystal clear waters eye popping sunsets and friendly natives are favored vacation spots But mixed within these happy places are a few islands known more for their poverty and despair Of these the ugliest most desperate country is Barrita ruled with an iron hand by a tyrant named Jacque Massoult In 1937 a poor Berritian family gives birth to a baby boy A beautiful child perfectly formed but with one damning deformity his skin is light almost white His parents consider him an evil being a devil and want him to be sacrificed but a voodoo priest decides to put the child s life to a test during a full moon ceremony He survives forcing his parents to keep him until he is old enough to take care of himself The child given the white man s name of Martin grows up hated not just by his parents but by all who know him A few years later another child named Stefan Palente is born this time to one of the wealthiest families on the island His father who is a descendant of the former white French Colonial rulers controls the largest industry on the island a petroleum reprocessing plant When Stefan is ten years old he develops polio leaving him partially lame As he grows older the natural tendency of his family to spoil him and the comparative wealth of his family contribute to making him a bit of a playboy interested only in satisfying his desires The sudden death of his older brother Phillip thrusts Stefan into the role of next in line to assume control of the company a job he desperately does not want Stefan s younger sister is Alicia a stunningly beautiful child At sixteen she looks much older and is selected by the President of the country to represent Barrita with a new birth certificate showing her age as eighteen in the Miss Earth contest She is very shy however and does not want to take part in the pageant She turns to Stefan who has always been her best friend and protector to find a way out The President for life and supreme ruler of the tiny nation Father Jack Massoult is anxious for a victory at the contest hoping that it will bring tourists and additional income to the island He does not tolerate failure and can go to extremes to get his own way The four of them become enmeshed in a life or death struggle that has dire consequences not only for them but for the entire nation of Barrita *Deadly Contest* Charles R. Williams,1850 **Hamlet's Problematic Revenge** William F. Zak,2015-05-20 Hamlet s Problematic Revenge Forging a Royal Mandate provides a new argument within Shakespearean studies that argues the oft noted arrest of the play s dramaturgical momentum especially evident in Hamlet s much delayed enactment of his revenge represents in fact a succinct emblem of the arrested development in the moral maturity of the entire cast most notably Hamlet himself as the unifying disclosure and tragic problem in the play Settling for unreflective and short sighted personal gratifications and cold comforts they truantly elbow aside a more considerable moral obligation Again and again all yield this duty s commanding priority to a childish self regarding fear of offending those in nominal positions of power and questionable positions of authority figures like Ophelia and Hamlet s fathers for instance demanding an unworthy deference While Hamlet fails to consider with loving regard the improved well being of the larger community to which he owes his existence and fails to interrogate the moral adequacy of the Ghost s command of violent reprisal two things he never does nor even contemplates doing all occasions in the play do inform against him and merely spur a dull revenge not as he interprets his own words arguing the need for greater urgency in his vendetta but instead to inform against the criminality of that very course itself His revenge therefore can be argued as dull not because he cannot summon the wherewithal to enact it more bloodily but because in obsessing about it ceaselessly he remains unreceptive to its dull or unenlightened opposition to the evil he hopes to eradicate Hamlet does not avenge his father this book argues that he becomes him Amidst a wealth of previously unremarked figurative mirrorings as well as much of the seemingly digressive material in Hamlet within Shakespearean studies Hamlet s Problematic Revenge brings to light a new interpretation of the tragic problem in the play Legends of Mexico George Lippard,1847 The Galaxy William Conant Church,1871 The Legal Reporter ,1877 Monágas and Paez: being a brief view of the late events in Venezuela José Tadeo MONÁGAS (President of the Republic of Venezuela.),1850 **General History of Rome** Charles Merivale,1877 *Reports of Cases Determined in the Supreme Court of the State of California* California.
