Deadly Dyke:

The Deadly Dyke Brian Parvin,2001-01 There had never been a November in Fenland quite like it weeks without rain a scorching sun land dried to dust and a dyke at Cheal End where only death made its mark on the thirsty growth Had Marcia Tucker died because of her past the farmland she owned or was it some hope for the future that had threatened her life For Inspector Arthur Mole it was not just the heat and planned murder that challenged it was the shadows of intrigue and the deaths still to come [The I-5 Killer](#) Ann Rule,1984-03-01 The terrifying true crime story of the I 5 serial killer from Ann Rule the 1 New York Times bestselling author of *The Stranger Beside Me* Randall Woodfield had it all He was an award winning student and star athlete He was drafted by the Green Bay Packers to play in the NFL and chosen by Playgirl as a centerfold candidate Working in the swinging West Coast bar scene he had his pick of willing sexual prospects But Randall Woodfield wanted more than just sex An appetite for unspeakable violent acts led him to cruise the I 5 highway through California Oregon and Washington leaving a trail of victims along the way As the list of his victims grew to a total of at least 44 the police faced the awesome challenge of catching and convicting a suspect who seemed too handsome and appealing to have committed such ugly crimes crimes that filled every woman within his striking range with fear and horror *The Police in a Free Society* Todd Douglas,2017-09-15 An unprecedented look at the evolution of American police from filling their intended role as peacekeepers and guardians of citizen rights to calling themselves and acting primarily as law enforcement officers As accusations of police misconduct and racial bias increasingly dominate the media *The Police in a Free Society* Safeguarding Rights While Enforcing the Law takes an unflinching look at the police the communities they serve and the politicians who direct them Author Todd Douglas a veteran state police commander exposes the occurrences of police misconduct and incompetence as well as incidences of charlatans who intentionally inflame racial tensions with the police for their own political or financial gain Readers will better understand what police officers must deal with on a daily basis grasp the role of lawmakers in keeping faith with the public and appreciate the tremendous challenges that police leaders face in attempting to reverse recent trends and shore up public confidence in police officers This is a rare glimpse into the often ugly reality of what happens on America s streets with insights gained from the perspective of the cop and suspect alike [The Horse Holder](#) Robert W. Callis,2016-07-25 During the siege of Atlanta in the American Civil War General Sherman ordered a series of Union cavalry raids behind Confederate lines to destroy railroad facilities and cut off the source of supplies to Atlanta to force the surrender of the city One of those raids was led by General Stoneman who not only planned to lead five thousand Union cavalymen to destroy a railroad works but also planned to then continue south to Macon Georgia Once there he intended to capture the city along with its notorious Camp Oglethorpe prison and free the fifteen hundred Union officers imprisoned there Macon Georgia is approximately 160 miles south of the Union lines along the Chattahoochee River just north of Atlanta If successful Stonemans raiders would then have to fight their way back north to the Union lines and

somehow manage to bring fifteen hundred weak and sick men along with them This is the story of one young soldier from Illinois who took part in that raid and what happened to him and his three squad mates as they tried to make their way back to the Union lines and safety Traveling at night and hiding by day progress back north will be much slower and much more dangerous than the original ride south to Macon Failure on their part will either end in death or imprisonment in the notorious Andersonville prison **Shooting and Salmon Fishing, and Highland Sport** Augustus Grimble,1902
