Call To Conversion:

The Gospel Call and True Conversion Paul Washer, 2013-06-21 The apostle Paul gave the gospel the first place in his preaching endeavored with all his might to proclaim it clearly and even went so far as to pronounce a curse upon all those who would pervert its truth Yet how sad it is that many even among those considering themselves evangelicals have reduced the gospel message to a few trite statements to be repeated and view conversion as a mere human decision In *The Gospel Call and True Conversion* Paul Washer challenges such easy believism as he examines the real meaning of things like faith repentance and receiving Christ He also deals extensively with the effects of saving grace that God promises in the new covenant namely the creation of new hearts and new people

The Call to Conversion Jim Wallis, 1982 This work examines two fundamental questions Christians must answer what is the nature of authentic conversion today and how can people heed the biblical call to conversion today

The Call to Conversion Jim Wallis, 2009-10-13 With a growing gap between the rich and the poor the looming threat of terrorism and the enormous costs of war where do we find hope In *The Call to Conversion* Wallis says the only hope for our nation s soul is a conversion to the values Jesus preached and a government policy which reflects those values Wallis author of the New York Times bestseller *God s Politics* provides an insightful critique of American culture and politics offering inspiring stories that show a way out of our dilemma He elaborates on the concept of conversion surveying both its biblical and historical meanings as well as how we can reassess the significance of conversion in today s world By gaining such a profound understanding Wallis argues we will come to see how economic injustice and the threat of war can serve as the tests for measuring the depth of both our personal and our shared spirit Jim Wallis is the founder and editor of *Sojourner* magazine and the president and convener of *Call to Renewal* a national federation of churches and faith based organizations who work with the government to overcome poverty and revitalize American politics *Time* magazine named Wallis one of the 50 Faces for America s Future and he has been a Visiting Fellow at Harvard s Kennedy School of Government His books include *Faith Works* and *The Soul of Politics*
