Call To Discipleship

Thomas D. Stegman, SJ

Call To Discipleship:

Christ's Call to Discipleship James Montgomery Boice, 2013-09-06 Boice describes what it means to live a life of true discipleship recognizing Christ's dominion not only as Savior but also as Lord Popular radio speaker author and pastor James Montgomery Boice describes what it means to live a life of true discipleship recognizing Christ's dominion not only as Savior but also as Lord Dr Boice explores the meaning path cost and rewards of being a true disciple As the author asserts in the preface I believe that if America could produce a generation of Christians who genuinely affirm and live by these teachings

The Call to Discipleship Karl Barth, 2003-11-01 In this brief essay drawn from Church Dogmatics Barth articulates what it means to follow Jesus in faith He emphasizes that discipleship involves a detachment from the authority of possessions foregoing the pursuit of personal glory challenging the fear and use of force the dissolution of self evident personal attachments and a better righteousness which goes beyond actions to intentions and practices piety in secret The command of Jesus is issued with all the freedom and sovereignty of grace against which there can be no legitimate objections of which no one is worthy for which there can be no preparation which none can elect and in the face of which there can be no qualification

The Call to Discipleship and What It Means to Follow Jesus John K Hulett, 2020-10-19 The Call to Discipleship and What It Means to Follow Jesus is based on sound biblical truths Every Scripture verse is inspired by God and given to the Holy Spirit for teaching disciples of Jesus Christ how to live holy and godly lives For some the Truth was made known early on in childhood by the Holy Spirit giving wisdom that leads to salvation through faith which is in Christ Jesus 2 Timothy 3 15 New American Standard Bible NASB UNDERSTANDING the CALL of DISCIPLESHIP Philip J Verzal, 2024-01-06 Jesus said to go and make Disciples He did not say to make converts Being a Disciple is what the Christian life is all about Following Jesus is so much more than praying reading the Bible and going to church It is about partnering with the all powerful Creator of the universe who knows everything about you loves you and desires greatly to have a personal relationship with you This first book in the series on understanding the call of Discipleship is written as a guide to assist you as you walk this journey It clarifies some of the obscure topics the Bible talks about while going into depth on hard subject matters as well This book will bring new insight into your faith From the very first day that Philip met Jesus back in 1974 Discipleship burned in his heart Always having the desire to go deeper into all things Jesus this passionate desire was taken to another level when he was challenged by Jesus to lay down everything in the faith that he was taught and or believed and allow Jesus to sift through it He responded to the Lord by saying I can do that This deeper journey began in 2004 when the Holy Spirit invaded Philip's prayer closet and would speak to him as quickly as he could write This went on for a few years and books began to be created Eighteen years after receiving God's promise that He alone would finance the journey this first book is being published Philip lives in eastern Tennessee where he resides with Rose his amazing wife

Jesus' Call to Discipleship James D. G. Dunn, 1992-06-26 The latest book in the successful Understanding Jesus Today

series Dunn explores the original meaning of discipleship in the early Church and then discusses what discipleship should mean for Christians today

Losing to Gain Carolyn Ridgell Andersen, 2015-07-29 In Matthew 16 24-26 KJV says Then said Jesus unto his disciples If any man will come after me let him deny himself and take up his cross and follow me For whosoever will save his life shall lose it and whosoever will lose his life for my sake shall find it For what is a man profited if he shall gain the whole world and lose his own soul Or what shall a man give in exchange for his soul Our life is more fulfilled and meaningful when we surrender our will to God Life definitely will hand you surprises unexpected losses or disappointments but follow Jesus Allow God to take control to lead and guide you in everything concerning your life Only God can take less and do more take nothing and make something out of it And God receives the glory What we consider to be a loss will be a great gain when we are in a relationship with Jesus Christ It is all about accepting his love walking in it living a life that displays it In a relationship with him we learn true humility we develop a prayer life and learn what should have destroyed us only made us stronger You are uniquely gifted and have an assignment to fulfill in the body of Christ As stated by the Apostle Paul in Romans 12 1 KJV that ye present your bodies a living sacrifice holy acceptable unto God which is your reasonable service and then you will be on a journey destined for greatness *Yes, I Am Talking to You* Marisa J. Johnson, 2013-01-25 If you ask someone to do a job you must first tell them what the job is and give a job description Otherwise they might get partway into the job and decide this wasn't what they had in mind and quit The last thing Jesus did before going back to heaven was to give every believer a job to do make disciples This book details what it means to be a disciple and gives a thorough job description so that we will know what to expect in fulfilling our duties Matthew 5 12 says And seeing the multitudes he went up into a mountain and when he was set his disciples came unto him And he opened his mouth and taught them The kingdom of God operates in a specific way and cannot be altered to fit our way of doing things Jesus wanted anyone who accepted His call to know how to do it right So He had to teach them

The Relationship Between the Call of Discipleship and the Call of the Gospel Byron Bradshaw, 2014

Opening the Door of Faith Thomas D. Stegman, SJ, 2015-07-07 Essays that bring forth another source for study and reflection on the issue of faith the five major voices of the New Testament Matthew Mark Luke John and Paul This book lays out four dimensions of the life of faith from each of these voices

Revelation and Reason in Christian Theology Christopher C. Green, David I. Starling, 2018-07-11 Do revelation and reason contradict Throughout the church's history Christians have been tempted to make revelation and reason mutually exclusive But both are essential to a true understanding of the faith The inaugural Theology Connect conference held in Sydney in July 2016 was dedicated to surveying the intersection of revelation and reason In *Revelation and Reason in Christian Theology* Christopher C Green and David I Starling draw together the fruit of this conference to provoke sustained deep reflection on this relationship The essays filtered through epistemological biblical historical and dogmatic lenses critically and constructively contribute to this important and developing aspect of theology

Each essayist approaches revelation and reason according to the psalmist's words In your light we see light Ps 36:9 The light of faith does not obscure truth rather it enables us to see truth *Wake Up Church!* Masika Ray, Masika Akilah, 2025-08-31

WAKE UP CHURCH Answer the Call to Discipleship The alarm is sounding Can you hear it For too long the Church has settled for attendance over action comfort over calling and programs over purpose WAKE UP CHURCH is a bold and heartfelt call to believers everywhere to rise from spiritual slumber and return to the mission Jesus gave us making disciples From street corners to sanctuaries from prison cells to Sunday schools this book explores stories and biblical truths to stir your heart stretch your faith and spark transformation It doesn't just talk about discipleship it shows you how to live it Inside these pages you'll discover What true discipleship looks like in everyday life Why love humility and obedience must guide our witness How to overcome fear and complacency with faith and fire Questions and tools to help you grow serve and lead If you're tired of the status quo If your spirit knows there's more If you believe the Church can still change the world Then it's time Wake up Church The world is watching and Heaven is calling

Living Faith in God Series Tm' 98 Ed. , Call To Discipleship - God's Method of Raising His Men Festus Ndukwe, 2023-06-20 What first led me to write a book on discipleship is the compelling force to pass on something to this generation things the Lord has taught and exposed me to over the years things that are not of doctrine but of life The second is that people from various churches go through discipleship and mission training in CAPRO offices in different cities and we do not have materials to give them that are concise and written in the context of our environment The third reason is closely related to the second We teach these things especially the course Call to Discipleship as churches invite us to run training on discipleship and missions and we have no materials to leave behind for them to read This demand provoked me to work on this book The fourth reason stems from a commission we received from a Christian leader to publish the truth and scatter it everywhere as certain men are spreading a message that is not really the Gospel One effective way to contend for the faith which was once delivered to the saints is to keep publishing the truth What we speak may be forgotten soon after we had left a meeting but what is published will last several generations I have faith that several years after I might have gone if the Lord carries someone will find this little book may be covered with dust and republish it to contend the violence that will be unleashed against the Church Except the Lord does something speedily the coming years will be one of the worst for the Church I am praying within me that this book will be part of God's reserved army to resist the force of evil in days ahead It is my prayer that through this book this purpose will be accomplished as well as meet the need of our Lord today in raising instruments of war out of His many children who have seen it fit to walk this path It is for these reasons that this book is written May God bless it and turn it into a live coal in his hand and burn it into the hearts of our readers Amen

Conversion and Discipleship Bill Hull, 2016-01-12 Discipleship occurs when someone answers the call to learn from Jesus how to live his or her life as though Jesus were living it The end result is that the disciple becomes the kind of person who naturally does what Jesus did How the church understands

salvation and the gospel is the key to recovering a biblical theology of discipleship Our doctrines of grace and salvation in some cases actually prevent us from creating an expectation that we are to be disciples of Jesus A person can profess to be a Christian and yet still live under the impression that they don't need to actually follow Jesus Being a follower is seen as an optional add on not a requirement It is a choice not a demand Being a Christian today has no connection with the biblical idea that we are formed into the image of Christ In this ground breaking new book pastor and author Bill Hull shows why our existing models of evangelism and discipleship fail to actually produce followers of Jesus He looks at the importance of recovering a robust view of the gospel and taking seriously the connection between conversion answering the call to follow Jesus and discipleship living like the one we claim to follow

The Rhythm of Discipleship Luther D. Ivory, 2008-01-01 In this volume Luther Ivory reflects on how to live the call to discipleship as an individual and as a community He describes the significance of active listening in the invitational rhythm of call and response and clarifies the biblical mandate for individuals and the church to respond to the call to join God in the struggle against evil and to establish righteousness in the world Ultimately he demonstrates for readers how to live a life of engaged piety which links reverence for God to the act of confronting injustice The Foundations of Christian Faith series enables readers to learn about contemporary theology in ways that are clear enjoyable and meaningful It examines the doctrines of the Christian faith and stimulates readers not only to think more deeply about their faith but also to understand their faith in relationship to contemporary challenges and questions Individuals and study groups alike will find these guides invaluable in their search for depth and integrity in their Christian faith

Taking Discipleship Seriously Tom Sine, 2020-07-29 When Jesus calls us to follow him he is not looking for occasional use of our gifts he wants our lives With this bold challenge Tom Sine calls on today's Christians to recapture the total commitment of first century disciples who truly lived out their faith in answer to Christ's call Such a radical biblical view of God's kingdom has implications touching

every area of a Christian's life as well as a far-reaching effect on the larger mission of the church. Sine urges churches to set aside self-involved agendas to seek God's will in a world of exploding needs. They are encouraged to become agents of change in their communities to improve the plight of needy __ persons with a hand up rather than a handout. As individuals and study groups read how Christians have placed concern for God's kingdom above personal desires, they will be stimulated to think deeply about their responses to Christ's invitation.
