Disease Reprieve Dr. T. C. McDaniel, 1999-12-09 The Golden Years Society Inc is pleased to announce the publication of Disease Reprieve by Dr T C McDaniel Dr McDaniel is a sole practitioner in Cincinnati specializing in Cardiovascular Renal disease He writes in detail about his 35 years of research in an effort to cure his personal health problems and outlines in detail how he applied those scientific principles to the care and treatment of more than 10 000 patients For the first time both Physicians and patients will learn the components of The Wheel of MisFortune This teaching device has been used successfully in Seminars for Physicians in the U S Canada and Europe Now you can learn how to apply these scientific principles to your own health care A Physician enjoys no greater advantage than his or her patient succumbing to the ravages of disease at an average age of 57 Cardiovascular Renal Disease takes more than a million lives each year the majority long before retirement age As the Medical Director of The Golden Years Society Dr McDaniel shares the story of his family six senior citizens from ages 70 93 These siblings enjoy the cumulative advantages of Disease Reprieve regimen without assisted living wheel chairs or canes They have a cumulative 126 years of Social Security benefits a result of living longer than the Actuaries predicted Dr McDaniel is 85 conducts a full medical practice has published two books and frequently lectures to civic organizations and medical groups The Government estimates the cost of Cardiovascular Disease in 1999 to be in excess of 260 billion dollars The Golden Years Society watched with interest a press conference in early 1997 announcing FDA approval of a drug they called the first new approach to the treatment of heart failure approved by the FDA in 14 years One Physician attending this press conference stated with great sincerity that heart failure is a life threatening condition whose incidence in the U S has been rising What an understatement Every 33 seconds an American dies of Cardiovascular Disease more than 950 000 deaths last year In contrast cancer deaths totaled approximately 537 000 and AIDS about 42 000 These rather dry statistics are translated into death and disability for us and or our loved ones No family is immune from the risk of Cardiovascular Renal Disease The Golden Years Society has been successfully treating patients during the time the pharmaceutical companies and the FDA were studying potential therapies Why are our patients able to resume active lifestyles free of many or most of their initial complaints Because the Disease Reprieve regimen teaches patients the CAUSE of Cardiovascular Disease Our patients understand the importance of food and drink in PREVENTING and reversing Cardiovascular Disease You will learn that the single greatest medical device of the 20th Century is the Reverse Osmosis water unit No more Arrhythmia generally excused away by such wandering generalities as we see these PVC s in people your age No competent Engineer would characterize a fuel pump malfunction so nonchalantly Physicians attending our Disease Reprieve seminars inevitably confide that their practice is suffering due to the onslaught of Managed Care rules and regulations the endless stream of paperwork from Medicare Medicaid and private insurance companies and the high cost of staffing requirements to complete all that paperwork We have Golden Years franchises in several locations

throughout the country As the prototype for these franchises our office is equipped with digital cameras computers with graphics programs and scanners all designed to take advantage of new technology Please recognize that technology will not r
