The book provides, in addition to concise and comprehensive information on the UN system, insight into recent UN developments and reform efforts in the face of global opportunities and challenges such as the Millennium Summit 2000 and World Summit 2005 and the establishment of important new UN organs: the Human Rights Council and the Peacebuilding Commission in 2006. The contributing authors are academic scholars of international law, economics, and political sciences; active and former diplomats and UN officials; journalists and members of non-governmental organizations (NGOs); and offer a variety of interesting perspectives.

Three Monotheistic Faiths - Judaism, Christianity, Islam Dr. Andrea C. Paterson, 2009-05-21 This book is a synopsis of three monotheistic faiths: Judaism, Christianity, and Islam, their common areas and their differences. The authors desire to show why she believes and to also prove that of the three main faiths existing in the world today, Christianity is a true and right personal relationship with Christ, the only vehicle to God. It is only through Jesus Christ, God's Son, that we find our way to Him. John 14:6
