Learning to See

You won't like this exercise. You will think it's designed to help you see better. It isn't. It's designed to help you see better. You will think it's designed to help you see better. You will think it's designed to help you see better.

There are some pots made in response to the exercise. They are not the pots you will find in a museum. They are not the pots you will find in a museum. They are not the pots you will find in a museum. They are not the pots you will find in a museum.

Notice that the schematic drawing shows a slight depression in the pot rather than a true profile. It is not to look at a true profile. It is not to look at a true profile. It is not to look at a true profile. It is not to look at a true profile.

Analysing a pot by placing it on a grid is a common method. It is not to look at a true profile. It is not to look at a true profile. It is not to look at a true profile. It is not to look at a true profile.
