Giacomo Puccini

Boheme In Full Score:

La Bohème in Full Score Giacomo Puccini, 2013-07-02 Authoritative Italian edition of one of the world's most beloved operas. Sturdy attractive volume reprints every note of Puccini's masterpiece based on Murger's novel. English translations of list of characters and instruments. **Arias, Ensembles, & Choruses** John Yaffé, David Daniels, 2011-11-17 Conductors John Yaffé and David Daniels have created a one-stop sourcebook for orchestras, opera companies, conductors, and librarians who research and/or prepare programs of vocal excerpts such as solos, ensembles, and choruses for concert performance. In this book, readers will find detailed information on a vast repertoire of vocal pieces commonly extracted from operas, operettas, musicals, and oratorios: more than 1,750 excerpts from 450 parent works. Modeled on Daniels' *Orchestral Music Arias, Ensembles, Choruses*, it includes basic historical details about each parent work as well as extract titles, subtitles, voice types, keys, durations, locations in the original work with page numbers in both full scores and piano vocal scores, and exact instrumentation. It also lists the publishers that make available the orchestral materials for just the excerpt being programmed, independent of the full parent work. Until now, conductors and orchestra librarians commonly had to first leaf through full scores, searching for one elusive three-minute aria after another, only to then consult multiple publishers' catalogues to compile crucial information on all the excerpts proposed for a concert or recording. This book constitutes a single source for finding that information. In many cases, the individual entries include valuable insider information on common performance practice, including start and stop points, transpositions, and conventional cuts. Searching for repertoire is made easy with the detailed title index and appendixes devoted to ensemble excerpts, all categorized by personnel: e.g., duets, trios, quartets, quintets, sextets, choruses, and language: Czech, English, French, German, Italian, Latin, Russian. This book is the ideal tool for the working conductor and orchestral librarian, as well as music program directors at colleges and conservatories, opera companies, and symphony orchestras. As of October 2015, a new printing of this book has occurred to correct errors in the index. A PDF version of the new index is available to previous purchasers of the volume. Please contact Rowman Littlefield's music editor for assistance. **Puccini's La Bohème** Michael Steen, 2012-05-17 Puccini's obsession with detail ensured the success of *La Bohème*, his opera about the impoverished artists in Paris in the 1830s. Soon after its premiere, people started calling their baby daughters Mimi. The story of this seamstress, her hectic but fraught love affair with the poet Rodolfo, and her tragic death from consumption/tuberculosis never fail to touch the audience. *Che gelida manina*, *Mi chiamano Mim*, and *O soave fanciulla* have become some of the most popular operatic excerpts, sung by stars ranging from Callas to Gheorghiu, Caruso to Pavarotti. Written by Michael Steen, author of the acclaimed *The Lives and Times of the Great Composers Short Guides to Great Operas*, these are concise, entertaining, and easy-to-read books about opera. Each is an opera guide packed with useful information and informed opinion, helping to make you a truly knowledgeable opera goer and so maximizing your enjoyment of a great musical experience.
