Cheyenne never planned to be a hero or a killer A disciplined martial artist and weapons expert she preferred to live quietly in her small city That all changed the night someone tossed a half dead black kitten out of a speeding car Cheyenne rescued the little creature nursed him back to health and named him Neko From that night on he never left her side Neko wasn t an ordinary cat He watched Cheyenne train memorized her movements and began copying her discipline When a masked intruder broke into her home Neko attacked with shocking precision saving Cheyenne s life Realizing his potential Cheyenne began training him intentionally building obstacle courses sharpening his reflexes and eventually crafting poison tipped claw sheaths But when a gang cornered Cheyenne one night beating her to the ground Neko unleashed his full fury The gang was torn apart eyes gouged ears shredded throats clawed Only one survived to tell the story of the killer cat That was the night Cheyenne stopped waiting for trouble and decided to take the fight to those who brought chaos to her city Together Cheyenne and Neko became an unstoppable force Criminals whispered about the woman and her shadow cat One by one gangs fell operations collapsed and those who preyed on the innocent fled town Their legend grew marked by three claw scratches left at every scene When the final showdown came in an abandoned warehouse Cheyenne and Neko fought side by side like spirits of vengeance The survivors of the city s underworld would never forget the black blur from the rafters the claws in the dark and the woman whose silence was more terrifying than any threat At dawn Cheyenne sat on her porch Neko curled in her lap the city quiet Their war wasn t over but now everyone knew the shadows belonged to them
