## Canadian Honours System:

*The Canadian Honours System* Christopher McCreery, 2015-11-28 This updated full colour illustrated book recounts the history of Canada's various national orders, decorations and medals. This expanded and updated edition of *The Canadian Honours System* surveys the history of Canada's various orders, decorations and medals from New France's Croix de St Louis, Britain's the Order of the Bath to modern Canadian honours such as the Sacrifice Medal and recently created Polar Medal. Since the establishment of the Order of Canada in 1967, the Canadian honours system has grown to become one of the most comprehensive in the world with more than 300,000 Canadians having been rewarded over the past fifty years. Each honour in the modern Canadian honours system and its precursor the British imperial honours system is examined here in detail including historical background, design and criteria for bestowal. With special chapters on heraldry, protocol and the proper mounting and wearing of medals, *The Canadian Honours System* is an essential reference for anyone interested in Canadian honours.

*The Canadian Honours System* Christopher McCreery, 2017-07-24 This full colour illustrated book recounts the history of Canada's various national orders, decorations and medals.

**The Beginner's Guide to Canadian Honours** Christopher McCreery, 2008-07-28 For more than 40 years, Canadian orders, decorations and medals have been used to recognize exemplary citizens for their outstanding contributions to our country and to the world. Although Canada is a relatively young country, we are fortunate to have one of the most comprehensive honours systems in the world. With the Order of Canada at its centre, the Canadian honours system includes the Victoria Cross, Star of Courage, Order of St John, General Campaign Star, Canadian Forces Decoration and a wide variety of other awards. From the honours of New France to the many British medals awarded to Canadians prior to 1967, the various elements of the modern Canadian honours system are explained. This short book, rich with illustrations and photos, provides an easy-to-understand overview of Canadian honours, who has received them and how they are bestowed. The book also includes a wearing guide.

**Tradition and Symbolism in Canadian Monarchy** Michael Gorman, 2022-08-24 Essay from the year 2022 in the subject World History, General and Comparison, grade A, Arizona State University, language English, abstract. This final research paper explores the core research questions: what symbolic gestures and traditions do the Canadian sovereign use to build and maintain a relationship with the people of Canada? More importantly, what role does the monarchy create for itself in Canada to justify its existence and relevancy via these methods? Putting these questions and the modern monarchy into historical context, the research gathers the facts and explores the political atmosphere of Canadian monarchy.
