**From Culture to Power** Robert J. Brym, Bonnie Fox, 1989 Twenty five years ago the cultural values of Canadians were believed to be largely responsible for the country s patterns of economic development politics and inequality Today these patterns are explained in terms of the way power is distributed In this study Brym and Fox attribute the shift in viewpoint to the growing influence of various currents of Marxism and feminism in Canadian sociology In light of these trends they analyze the Marxist critique of conventional sociology in the 1970s and the feminist critique of Marxist sociology in the 1980s
