TELEVISION NEWS,  
THE ANTI-COCAINE CRUSADE,  
AND THE REAGAN  
LEGACY

JIMMIE L. REEVES AND RICHARD CAMPBELL

# Cracked Coverage

**VM Jensen**

## **Cracked Coverage:**

**Cracked Coverage** Jimmie Lynn Reeves, Richard Campbell, 1994 Carefully documenting the deceptions and excesses of television news coverage of the so called cocaine epidemic *Cracked Coverage* stands as a bold indictment of the backlash politics of the Reagan coalition and its implicit racism the mercenary outlook of the drug control establishment and the enterprising reporting of crusading journalism Blending theoretical and empirical analyses Jimmie L Reeves and Richard Campbell explore how TV news not only interprets reality in ways that reflect prevailing ideologies but is in many respects responsible for constructing that reality Their examination of the complexity of television and its role in American social cultural and political conflict is focused specifically on the ways in which American television during the Reagan years helped stage and legitimate the war on drugs one of the great moral panics of the postwar era The authors persuasively argue for example that powder cocaine in the early Reagan years was understood and treated very differently on television and by the state than was crack cocaine which was discovered by the news media in late 1985 In their critical analysis of 270 news stories broadcast between 1981 and 1988 Reeves and Campbell demonstrate a disturbing disparity between the earlier presentation of the middle and upper class white drug offender for whom therapeutic recovery was an available option and the subsequent news treatment of the inner city black drug delinquent often described as beyond rehabilitation and subject only to intensified strategies of law and order Enlivened by provocative discussions of Nancy Reagan s antidrug activism the dramatic death of basketball star Len Bias and the myth of the crack baby the book argues that Reagan s war on drugs was at heart a political spectacle that advanced the reactionary agenda of the New and Religious Right an agenda that dismissed social problems grounded in economic devastation as individual moral problems that could simply be remedied by just saying no Wide ranging and authoritative *Cracked Coverage: Television News, the Anti Cocaine Crusade, and the Reagan Legacy* is a truly interdisciplinary work that will attract readers across the humanities and social sciences in addition to students scholars journalists and policy makers interested in the media and drug related issues *White Balance* Justin

Gomer, 2020-04-17 The racial ideology of colorblindness has a long history In 1963 Martin Luther King famously stated I have a dream that my four little children will one day live in a nation where they will not be judged by the color of their skin but by the content of their character However in the decades after the civil rights movement the ideology of colorblindness co opted the language of the civil rights era in order to reinvent white supremacy fuel the rise of neoliberalism and dismantle the civil rights movement s legal victories without offending political decorum Yet the spread of colorblindness could not merely happen through political speeches newspapers or books The key Justin Gomer contends was film as race conscious language was expelled from public discourse Hollywood provided the visual medium necessary to dramatize an anti civil rights agenda over the course of the 70s 80s and 90s In blockbusters like *Dirty Harry* *Rocky* and *Dangerous Minds* filmmakers capitalized upon the volatile racial social and economic struggles in the decades after the civil rights movement shoring up a powerful

bipartisan ideology that would be wielded against race conscious policy the memory of black freedom struggles and core aspects of the liberal state itself

**DARE to Say No** Max Felker-Kantor, 2024-02-14 With its signature DARE to keep kids off drugs slogan and iconic t shirts DARE Drug Abuse Resistance Education was the most popular drug education program of the 1980s and 1990s But behind the cultural phenomenon is the story of how DARE and other antidrug education programs brought the War on Drugs into schools and ensured that the velvet glove of antidrug education would be backed by the iron fist of rigorous policing and harsh sentencing Max Felker Kantor has assembled the first history of DARE which began in Los Angeles in 1983 as a joint venture between the police department and the unified school district By the mid 90s it was taught in 75 percent of school districts across the United States DARE received near universal praise from parents educators police officers and politicians and left an indelible stamp on many millennial memories But the program had more nefarious ends and Felker Kantor complicates simplistic narratives of the War on Drugs He shows how policing entered US schools and framed drug use as the result of personal responsibility moral failure and poor behavior deserving of punishment rather than something deeply rooted in state retrenchment the abandonment of social service provisions and structures of social and economic inequality

**When Crack Was King** Donovan X. Ramsey, 2024-07-02 LONGLISTED FOR THE NATIONAL BOOK AWARD A vivid and frank NPR account of the crack cocaine era and a community s ultimate resilience told through a cast of characters whose lives illuminate the dramatic rise and fall of the epidemic A master class in disrupting a stubborn narrative a monumental feat for the fraught subject of addiction in Black communities The Washington Post A poignant and compelling re examination of a tragic era in America history insightful and deeply moving Bryan Stevenson author of the 1 New York Times bestseller Just Mercy FINALIST FOR THE NATIONAL BOOK CRITICS CIRCLE AWARD ONE OF THE NEW YORK PUBLIC LIBRARY AND VULTURE S TEN BEST BOOKS OF THE YEAR A BEST BOOK OF THE YEAR Time The Washington Post NPR Chicago Public Library Publishers Weekly She Reads Electric Lit The Mary Sue The crack epidemic of the 1980s and 1990s is arguably the least examined crisis in American history Beginning with the myths inspired by Reagan s war on drugs journalist Donovan X Ramsey s exacting analysis traces the path from the last triumphs of the Civil Rights Movement to the devastating realities we live with today a racist criminal justice system continued mass incarceration and gentrification and increased police brutality When Crack Was King follows four individuals to give us a startling portrait of crack s destruction and devastating legacy Elgin Swift an archetype of American industry and ambition and the son of a crack addicted father who turned their home into a crack house Lennie Woodley a former crack addict and sex worker Kurt Schmoke the longtime mayor of Baltimore and an early advocate of decriminalization and Shawn McCray community activist basketball prodigy and a founding member of the Zoo Crew Newark s most legendary group of drug traffickers Weaving together riveting research with the voices of survivors When Crack Was King is a crucial reevaluation of the era and a powerful argument for providing historically violated communities with the resources they deserve

**Message in a Bottle**

Janet Lynne Golden,2009-07-01 This book raises key questions about public policy the politicization of medical diagnosis and the persistent failure to address the treatment needs of pregnant alcoholic women The author traces the history of FAS from a medical problem to moral judgment that stigmatizes certain mothers but fails to extend to them the services that might actually reduce the incidence of this diagnosis

**What Is This Thing Called Jazz?** Eric Porter,2002-01-31 Among the many books on the history of jazz an implicit division of labor has solidified whereby black artists play and invent while white writers provide the commentary Eric Porter s brilliant book seeks to trace the ways in which black jazz musicians have made verbal sense of their accomplishments demonstrating the profound self awareness of the artists themselves as they engaged in discourse about their enterprise Susan McClary author of *Conventional Wisdom The Content of Musical Form* With *What Is This Thing Called Jazz* Eric Porter has given us an original portrait of black musicians as creators thinkers and politically conscious individuals This well written thoroughly researched work is a model of a new kind of scholarship about African American musicians one that shows them as people who are both shaped by and actively shaping their political and social context One of the book s most important contributions is that it takes seriously what the musicians themselves say about the music and allows their voices to join that of critics and musicologists in helping to construct a critical and philosophical framework for analyzing the music Professor Porter s work is rare in it s balanced attention to the formal qualities of the music historical interpretation and theoretical reflection His is a work that will certainly shape the direction of future studies *What Is This Thing Called Jazz* is an extraordinary work Farah Jasmine Griffin author of *If You Can t Be Free Be a Mystery In Search of Billie Holiday* A major contribution to American Studies in music Eric Porter s lucidly written book is the first to thoroughly analyze and contextualize the critical historical and aesthetic writings of some of today s most innovative composer performers Placing the vital concerns of artists at the center this work provides academic and lay readers alike with important new insights on how African American musicians sought to realize ambitious dreams and concrete goals through direct action not only in sound but through building alternative institutions that emphasized the importance of community involvement George E Lewis Professor of Music Critical Studies Experimental Practices Area University of California San Diego

*Insurance* Saul Benton Ackerman,1928 **Metals Abstracts** ,1994 **Out of the Blue** Eric Porter,1997 *Capital Crimes* George Winslow,1999-05 Crime tops the headlines leads the evening news and is a focus of every election But what causes crime Is there a more rational way to address it than by law and order crusades crafted by politicians and their consultants to win elections

*GEORGE FRESARD V MICHIGAN MILLERS MUTUAL INSURANCE COMPANY, 414 MICH 686 (1982)* ,1982 65261 **California. Court of Appeal (1st Appellate District). Records and Briefs** California (State)., **California. Court of Appeal (2nd Appellate District). Records and Briefs** California (State)., *Crack and the Evolution of Anti-Drug Policy* Steven Belenko,1993-08-30 An authority on anti drug policy and crack since it became a popular street drug in the mid 1980s Belenko traces the development of America s policy response in

the context of changes in policy that were underway when crack first appeared He summarizes the state of our knowledge about crack its pharmacological properties its use and effects on health and behavior and its distribution Moreover he makes recommendations about policies to deal with the next drug epidemic This empirical analysis and public policy study is intended for teachers graduate students researchers practitioners and policymakers in drug control and treatment criminal justice law enforcement and in public administration *The Spectator* ,1929 *Protective National Insurance Company of Omaha v.
