Yates, 2015-02-13 This book addresses each topic in the FIBKA Basic and Intermediate Examinations with a view to assisting those studying on their own informally at home The syllabus is a long one with over 90 topics to be considered Until the issue of this book it was necessary for the student to consult a multitude of different works to acquire a thorough understanding of the subject matter for examination purposes The book is a must for anyone contemplating either of the two examinations The authors are very well qualified to prepare such a volume They are both BBKA examiners and Master Beekeepers and are well familiar with the problems that confront students and candidates They are both past winners of the coveted Wax Chandler Prize for the best results in the BBKA Senior Examinations and are the only man and wife team to achieve this feat John started beekeeping during the second world war and Dawn started after they returned to the UK from careers in the Colonial Service Engineering and Nursing respectively They are now retired in Devon and manage 20 colonies and about the same number of nuclei as part of their queen rearing programme each year John has been a member for some years of the BBKA Examination Board **Beekeeping Study Notes: Bbka Certificate in Beekeeping Husbandry** J. D. Yates, B. D. Yates, 2017-06-07 This book follows the same style

and approach as all the other popular Beekeeping Study Notes for the BBKA Examinations the first of which was published in 1990 This third edition has been updated and prepared by John and Dawn Yates They need no introduction as they are both well known beekeepers They have followed their usual style by addressing every section of the syllabus in considerable detail in order to assist those who may be contemplating sitting this examination They are both Master Beekeepers having passed the BBKA Senior Examination on successive years and both gaining the coveted Wax Chandler Prize for the best written papers of their year They are both convinced that the BBKA must be a self supporting organisation particularly in the educational field where the traditional assistance from County Bee Instructors has now vanished and assistance from the National Bee Unit in adult bee disease diagnosis has become prohibitively expensive for the average beekeeper These latest study notes will be especially useful for the training of branch microscopists The book provides the necessary information to enable those who are interested in microscopy to attain the confidence and competence required The examination syllabus has changed since the first edition was prepared it now contains much on safety and hygiene This third edition has several new colour plates ISBN 978 1 912271 05 4 3rd Edition Reprint 2017 12 95 Beekeeping Study Notes J D Yates,2017-05-21 This book the brown book completes the series of Beekeeping Study Notes for all the British Beekeepers Association examinations namely the green and orange volumes for the modules leading to the Intermediate and Advanced certificates the red book for the Practical Examination and the blue book for the Microscopy module The Scottish Beekeepers Association and the Federation of Irish Beekeepers Associations have very similar examinations namely the Scottish Basic Beemaster Certificate and the Irish Preliminary Certificate respectively Additional appendices have been included to provide a volume which covers the three associations basic examinations under one cover The notes address the 61 topics in the BBKA syllabus 3 additional topics for the SBKA syllabus and 3 additional items for the FIBKA syllabus The examination is explained and prospective candidates should now have no fears of not knowing what to expect when face to face with the examiner Dawn and John Yates were Examiners for all the BBKA Examinations and have examined many candidates for the Basic they are eminently qualified to prepare these notes for future candidates ISBN 978 1 912271 03 0 *Beekeeping Study Notes for the BBKA Microscopy Examination (module 9)* John D.
