Distorted Morality

AMERICA'S WAR ON TERROR?

"It's important for you boys and girls to know that we're fighting **evil** with **good**."

George W. Bush
speaking at the American Red Cross

"Whatever has been happening for the past several months and is going on now, and however you evaluate it, like it, hate it, or whatever, it's pretty clear that there cannot be a war on terror."

Noam Chomsky, *Distorted Morality*.

Distorted Morality:

Distorted Morality, 2002 *Women in Republican China* Hua R. Lan, Vanessa L. Fong, 1999 This collection of essays reflect a time of political and social ferment in early 20th century China when women were subject to the vicissitudes of war modernization and rapid social change The authors discuss a range of theoretical and practical issues revolving around the woman question J.M. Coetzee and the Ethics of Power Emanuela Tegla, 2016-01-12 For I was not as I liked to believe the indulgent pleasure loving opposite of the cold rigid Colonel I was the lie that Empire tells itself when times are easy he the truth that Empire tells when harsh winds blow Thus the Magistrate confesses in Coetzee s 1980 novel *Waiting for the Barbarians* The present study looks closely into the unsettling effects Coetzee s novels have on the reader and explores the interconnectedness between stylistic choices and moral insights Its overall aim is to disclose the effectiveness of Coetzee s narrative strategies to prompt the reader to engage in self questioning and radical revisions of personal and social moral assumptions This is an original and ground breaking study of Coetzee s work Dr Tegla s insightful close readings highlight the ways in which Coetzee fictionalizes a variety of moral dilemmas In particular she shows how he turns narrative into an instrument for moral discernment Her narratological approach advances our understanding of his achievements and I can state without reservation that this book will be referred to as a landmark in Coetzee criticism Richard Bradford Research Professor and Senior Distinguished Research Fellow University of Ulster **The Laws of Life: An Exploration of Fundamental Problems in Ethics** Per K. Brask, Andreas Simonsen, 2015 An important 20th century work on ethics Now available in English for the first time Danish thinker Andreas Simonsen explores what he considers the three most fundamental problems in ethics free will versus determinism happiness versus duty and humanism versus humility These problems have been pondered throughout history often with great perspicacity and wit However every generation must take its own position on them so that new experiences are included in our understanding of life not only directly but also indirectly through changing interpretations and practices of past wisdom Simonsen attempts to untangle the inevitable contradictions attached to everything human and conditioned by a basic paradoxical duality in our essence and existence We must have a paradoxical understanding of humans as both free and conditioned a paradoxical view of ethics as both duty and happiness a paradoxical understanding of God as both immanent and transcendent **Moral and Immoral Whiteness in Immigration Politics** Yalidy Matos, 2023 Immigration has been at the heart of US politics for centuries In *Moral and Immoral Whiteness in Immigration Politics* Yalidy Matos examines the inherent moral value based nature of white Americans immigration attitudes including preferences on local immigration enforcement programs federal immigration policy and levels of legal immigration allowed Does identifying as white always signify a commitment to maintain the racial status quo or can it result in commitments to racial justice How do we understand the passage of state level sanctuary and anti sanctuary immigration legislation through a white identity political lens Thinking about whiteness as a moral choice

complicates the idea that immigration policy preferences are mostly about demographic shifts To examine the centrality of morality in white Americans immigration attitudes Matos looks at public opinion survey data as well as the roll call votes of elected officials She examines the conditions under which white Americans choose to reproduce a system structured on white supremacy or repudiate it as well as the role of socialization in their choices and immigration attitudes As immigration continues to be weaponized to divide Matos highlights the importance of understanding the roots of immigration attitudes in the United States and the ways in which whiteness structures these attitudes

Endangered Moral Values Sunday Bobai Agang,2022-07-13 The erosion of moral values on a global scale has left nations vulnerable to greed power and violence as the shaping forces of culture In the absence of an ethical foundation corruption reverberates through public life destabilizing countries and undermining human flourishing Examining the many challenges facing Nigeria in the twenty first century Dr Sunday Bobai Agang suggests that his homeland is experiencing just such a crisis one rooted not in religion economics or politics but rather an eroding moral foundation For a nation to thrive he argues its people must possess a moral and ethical vision characterized by sincerity and truth love and unity Far from representing impractical ideals these are the virtues upon which a nation s security and stability depend **Endangered Moral Values** offers both a powerful warning of the dangers inherent in ignoring a society s ethical and moral decay and a passionate invitation for citizens to work together towards a transformed future

true story of a Civil Police Investigator in the interior of the State of S o Paulo experienced in public service and in the investigation of homicides by a specialized police station It contains the narrative of some cases that required more effort as well as the problems faced by police officers in carrying out their duties and the misunderstanding from different institutions within the system If Justice is that blindfolded woman and the Law is her scale the Police are certainly the sword she wields
