The Art of Public Speaking, PowerWeb and Topic Finder Stephen E. Lucas, 1992 The leading text in public speaking The Art of Public Speaking is

successful because it works well for both students and instructors. Instructors rely on its careful explanations, its reinforcing examples, and its attention to the basics that help their tentative students become competent speakers. Instructors have also come to rely on the most comprehensive package of support materials available with any text on public speaking. For students, the book brings the art of public speaking to life by providing a steady stream of vivid and illustrative examples and by patiently teaching the theory and practice of rhetoric by well-chosen examples.
