Paula Landry, Stephen Greenwald

Creating Original Programming For Cable Tv:

Creating Original Programming for Cable TV William Drew Shaffer, Richard Wheelwright, 1983 *Struggles for Equal Voice* Yuya Kiuchi, 2012-11-01 Reveals how African Americans used cable television as a means of empowerment While previous scholarship on African Americans and the media has largely focused on issues such as stereotypes and program content *Struggles for Equal Voice* reveals how African Americans have utilized access to cable television production and viewership as a significant step toward achieving empowerment during the post-Civil Rights and Black Power era In this pioneering study of two metropolitan districts Boston and Detroit Yuya Kiuchi paints a rich and fascinating historical account of African Americans working with municipal offices local politicians cable service providers and other interested parties to realize fair African American representation and media ownership Their success provides a useful lesson of community organizing image production education and grassroots political action that remains relevant and applicable even today

Prestige Television Seth Friedman, Amanda Keeler, 2022-11-11 *Prestige Television* explores how a growing array of 21st century US programming is produced and received in ways that elevate select series above the competition in a saturated market Contributing authors demonstrate that these shows are positioned and understood as comprising an increasingly recognizable genre characterized by familiar markers of distinction In contrast to most accounts of elite categorizations of contemporary US television programming that center on HBO and its primary streaming rivals these essays examine how efforts to imbue series with prestigious or elevated status now permeate the rest of the medium including network as well as basic and undervalued premium cable channels Case study chapters focusing on diverse series ranging from widely recognized examples such as *The Americans* 2013 2018 and *The Knick* 2014 15 to contested examples like *Queen of the South* 2016 2021 and *How I Met Your Mother* 2005 2014 highlight how contributing authors extend conceptions of the genre beyond expected parameters

Belch,2014-09-16 Ebook Advertising and Promotion **Videodisc/teletext** ,1984 **BCTV: Bibliography on Cable Television** ,1985 The Business of Media Distribution Jeffrey C. Ulin,2019-05-30 In this updated edition of the industry staple veteran media executive Jeff Ulin relates business theory and practice across key global market segments film television and online digital providing you with an insider s perspective that can t be found anywhere else Learn how an idea moves from concept to profit and how distribution dominates the bottom line Hollywood stars may make the headlines but marketing and distribution are the behind the scenes drivers converting content into cash The third edition Includes perspectives from key industry executives at studios networks agencies and online leaders including Fox Paramount Lucasfilm Endeavor Tencent MPAA YouTube Amazon and many more Explores the explosive growth of the Chinese market including box office trends participation in financing Hollywood feature films and the surge in online usage Illustrates how online streaming leaders like Netflix Amazon Apple YouTube Hulu and Facebook are changing the way TV content is distributed and consumed and in cases how these services are moving into theatrical markets Analyzes online influences and disruption throughout the distribution chain and explains the risks and impact stemming from changing access points e g stand alone apps delivery methods over the top and consumption patterns e g binge watching Breaks down historical film windows the economic drivers behind them and how online and digital delivery applications are changing the landscape Ulin provides the virtual apprenticeship you need to demystify and manage the complicated media markets understand how digital distribution has impacted the ecosystem and glimpse into the future of how film and television content will be financed distributed and watched An online eResource contains further discussion on topics presented in the book **Real People and the Rise of Reality Television** Michael McKenna,2015-06-25 The origins of and in many ways the prototype for modern reality programming can be traced to Real People a show that premiered on the NBC network in April of 1979 An instant ratings success Real People appealed to an audience that clamored for stories about everyday men and women However many of the vignettes focused on individuals who were far from average eccentric collectors allegedly talented performers and inspirational overachievers many of whom could be called quirky if not just plain weird In the wake of the show s success a rash of imitators followed What had started out as a counter programming gamble became the norm and now the television airwaves are littered with reality shows In Real People and the Rise of Reality Television Michael McKenna looks at the show that started a trend in television viewing one that now permeates not only the major networks but almost all of cable channels as well McKenna traces the history of reality programming back to the early days of television up to the late 1970s when networks were beginning to take a chance on non scripted prime time shows The author provides an in depth look at how Real People evolved from profiles of peculiar characters to an almost weekly display of hyper patriotism largely fueled by a desperate desire to recover from the disappointments of the 1970s McKenna also charts the rise of shows that aimed to duplicate Real People s success That s Incredible The People s Court COPS America s Funniest Home Videos

and MTV's *The Real World* Though *Real People* was cancelled in 1984 reality themed programming flourished and this look at the show's history makes for a fascinating read Fans of nonfiction programs owe a debt to the show that started it all and *Real People* and the Rise of Reality Television provides readers with insights into how and why one show changed the cultural landscape forever *Videodisc and Optical Disk*, 1984

Race and Contention in Twenty-First Century U.S. Media Jason A. Smith, Bhoomi K. Thakore, 2016-04-20 This volume explores and clarifies the complex intersection of race and media in the contemporary United States Due to the changing dynamics of how racial politics are played out in the contemporary US as seen with debates of the post racial society as well as the changing dynamics of the media itself new vs old media debates an interrogation of the role of the media and its various institutions within this area of social inquiry is necessary Contributors contend that race in the United States is dynamic connected to social economic and political structures which are continually altering themselves The book seeks to highlight the contested space that the media provides for changing dimensions of race examining the ways that various representations can both hinder or promote positive racial views considering media in relation to other institutions and moving beyond thinking of media as a passive and singular institution Chapters 3 and 13 of this book are freely available as downloadable Open Access PDFs at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license
