Step-by-Step Spirituality for Deacons Eddie Ensley,2014-11-11 In this book Deacon Eddie Ensley explores ways that permanent deacons can enrich their prayer and ministry through lectio divina a renewed appreciation for the Liturgy of the Hours and entering into a fuller sense of diakonia The stories and insights in this book are truly tools for faith enrichment and becoming one with God in prayer and ministry Reflections on the Journey to the Omega Point Tom Reidy,2017-05-30 Reflections on the Journey to the Omega Point is a collection of random thoughts in no particular order that I have been amassing and collecting over the past 70 years on a variety of subjects It is a representation of my philosophy of life that we are on a journey or a pilgrimage if you will through a hostile insecure and uncertain world on the way to the Omega Point death the portal to Heaven our eternal home where there will be eternal happiness security and certainty in an infinitely loving environment presided over by an infinitely loving God Whatever happens to us here is important only insofar as it contributes to our place in that world beyond the Omega Point Only one thing is important Eternal Salvation in an eternal Paradise with an eternal God Some of the concepts will be repeated throughout the book but they are important enough to bear repetition as they fall into the context of various different essays I admit that I have grown more cynical as I have grown older but the world we live in is becoming increasingly conducive to cynicism I ll warn the reader now that this is a very dark book in many ways but it is a realistic book written from a Roman Catholic perspective and viewpoint All Scriptural quotes are taken from the on line version of the Douay Rheims Bible Pathway to Conversational Prayer Okechukwu Onuzo,Okey Onuzo,2020-11-25 Can you imagine how wonderful it would be for you if you could actually speak to God and hear the Almighty God when He speaks to you That would mean that you would have a real chance at answering your deepest questions and resolving a good deal of your nagging doubts Your present and future will be better defined because you will be applying highly integrated information and data from the omniscient mind of God You would be your own prophet a good deal of the time just like the LORD had always wanted you to be That would also mean you will be spending fewer hours at counseling since you would be counseled directly with wisdom from heaven If you had always wanted to speak to God and hear from Him but never really found out if you could and how you could then reading this book will undoubtedly help The author has revealed an impressive grasp of an elusive subject that is sure to gladden many hearts This book has been described as an achievement in penetrating authority and a joy to encounter VP Being able to hear God speak to us is the secret key that we need to unlock the end time program of Almighty God as it relates to the Church Universal and to us as individuals As has been said VP it is hard to imagine anyone who would not be stirred by the message here so eloquently presented and so scripturally grounded One recurrent testimony is that this book should be in the hands of every Christian This paperback edition is designed to make this possible **The Student Leadership Training Manual for Youth**

Workers Dennis Tiger McLuen, Chuck Wysong, 2010-12-21 As profound as relevant as funny as you are teenagers still listen to each other more than to an adult youth worker You may grimace but you can't deny it students talking to each other usually means more to them than adults talking to them The Student Leadership Training Manual helps you equip your senior highers for leading their peers and taking charge of as much of the ministry as they want or are able helping and evangelizing their peers organizing ministry teams planning and executing their own youth ministry programming Here are 31 training sessions for discipling student leaders in a small group setting sessions that start in the Bible and reach deep into teenagers experience ready for you to implement a clear and effective program that trains your students for higher levels of leadership regardless of where they are now Plus 24 pages just for you a veritable primer on how to cultivate student leadership The role of adults Authority vs responsibility Setting student leaders up for success Teaching students not just the whats but the whys and hows Helping them discover their spiritual giftedness Perfect for youth workers CE directors associate pastors and small group leaders anyone who works with a youth group's core kids
