The Cook's Companion Notebook Stephanie Alexander, 2005-03-24 No Marketing Blurb [The Cook's Companion Seasonal Journal](#) Stephanie Alexander, 2005-08-29 Following the huge success of the new edition of Stephanie Alexander's *Cook's Companion* and hot on the heels of the recent *Cook's Companion Notebook Shopping List and Recipe Journal* comes the *Cook's Companion Seasonal Recipe Journal*. This lovely hardback ring bound journal is divided into four sections: Summer, Autumn, Winter, and Spring. Each section is separated by a tabbed and pocketed cardboard divider with a beautiful full colour image from the *Cook's Companion* and each contains a list of fruit and vegetables which are in season at that time. With 32 lined pages for each season, the *Seasonal Journal* is a functional and attractive book where readers can store their favourite recipes, jot down cooking ideas, and plan their dinner party menu. This recipe journal is the perfect gift for anyone who loves to spend time in the kitchen and is another excellent addition to the *Cook's Companion* stationery range. [The Cook's Companion](#) Sheridan Rogers, 1992 Beautifully presented recipe notebook divided into food categories with each category containing a sample recipe and illustration. Measurement tables are included and cooking hints are spread throughout the book. Designed to accompany *The Cook's Garden* by the same author. **Cook's Companion** Carole Clements, 2001

The Line Cook's Companion Sean Swartzwelder, 2019-03-06 *The Line Cook's Companion* is a planner and journal designed BY a professional cook FOR professional cooks. This book features 50 Pages of Prep Lists, 50 Pages of Recipe Keepers, 50 Unlined Notes Pages, Quick Conversion Reference Chart. Increase your time management and efficiency on the line with this simple and easy to use tool. Say goodbye to the greasy recipe binder, random ticket tape prep lists, and torn up notebooks. This planner and journal has everything you need to keep an organized mise en place. A Bit About Me: I started cooking around the age of 11. Like many cooks, my interest began while watching the food network and I loved to cook for my family. At 14, I took a job at a fast food place to make some extra money while I was in school, but once I turned 16, I began working full time to help support myself as I was growing up in a single parent household and money was tight. Little did I know that this gig that was supposed to just be a job would turn into me actually pursuing a career in cooking. I worked in fast food until around the age of 18 when through a connection I landed my first working interview in a scratch kitchen. I battled between a couple of different passions and couldn't decide if cooking was FOR SURE my thing or not, but after a year or two it stuck on me like glue. I'm now 24 and still a professional line cook working my way toward hopefully one day owning my own place. My girlfriend and I make a great chef/baker team and both have plans to one day make this dream come true together. Why did I make this book? I've had this idea for a while, but basically I got sick of not having an all-in-one place to keep my reference materials on the line. I wanted to create a tool that would allow myself and other cooks to be able to manage our time more efficiently and most important effectively. I hope you enjoy working with *The Line Cook's Companion* and that it helps you maintain an organized operation in your kitchen, on your station, and maybe even at home. Please feel
