International Bibliography of Sikh Studies Rajwant Singh Chilana,2006-01-16 The International Bibliography of Sikh Studies brings together all books composite works journal articles conference proceedings theses dissertations project reports and electronic resources produced in the field of Sikh Studies until June 2004 making it the most complete and up to date reference work in the field today One of the youngest religions of the world Sikhism has progressively attracted attention on a global scale in recent decades An increasing number of scholars is exploring the culture history politics and religion of the Sikhs The growing interest in Sikh Studies has resulted in an avalanche of literature which is now for the first time brought together in the International Bibliography of Sikh Studies This monumental work lists over 10 000 English language publications under almost 30 subheadings each representing a subfield in Sikh Studies The Bibliography contains sections on a wide variety of subjects such as Sikh gurus Sikh philosophy Sikh politics and Sikh religion Furthermore the encyclopedia presents an annotated survey of all major scholarly work on Sikhism and a selective listing of electronic and web based resources in the field Author and subject indices are appended for the reader s convenience **The Making of Sikh Scripture** Gurinder Singh Mann,2001-05-03 The Adi Granth original book the primary scripture of the Sikhs comprises approximately 3 000 hymns Although the authorship of the hymns is well recorded the history of the compilation the Adi Granth the creation of the Sikh canon is the subject of considerable speculation and debate In this book Gurinder Mann attempts to construct a comprehensive secondary literature on the topic His findings on some key issues differ from the traditional Sikh position and from the hypotheses of other 20th century scholars as well as raising some entirely fresh questions Mann s revised and expanded picture of the history of the text and institution of Sikh scripture will be of interest not only to scholars of Sikhism and Sikh religionists but to scholars of comparative canon formation **Beyond Tolerance** Allen McKiel,2007 The author presents beliefs language and practices that some of the world religions have in common with Christianity and compares them with Scripture He states in the preface that the positions of this book have been derived from his reading of Scripture The first ten chapters compares Christian Scripture with other world religions the second ten chapters present teaching of the Baha i Faith concerning global community The author identifies himself as a member of the Baha i Faith **Historical Dictionary of Sikhism** W. H. McLeod,2005-07-21 Contrary to popular opinion there is more to Sikhism than the distinctive dress First of all there is the emergence of Guru Nanak the founder of Sikhism and the long line of his successors There are the precepts many related to liberation through the divine name or nam There is a particularly turbulent history in which the Sikhs have fought to affirm their beliefs and resist external domination that continues to this

day There is also more recently the dispersion from the Punjab throughout the rest of India and on to Europe and the Americas With this emigration Sikhism has become considerably less exotic but hardly better known to outsiders This expanded and updated second edition of the dictionary is an excellent place to learn more about the religion It provides a chronology of events a brief introduction that gives a general overview of the religion and a dictionary with several hundred entries which present the gurus and other leaders trace the rather complex history expound some of the precepts and concepts describe many of the rites and rituals and explain the meaning of numerous related expressions All this along with a copious bibliography provides readers with an informative and accessible guide toward understanding Sikhism *Journal of Sikh Studies* ,2005 **Accessions List, India** Library of Congress.
