Renewing Christian Worldview Steven Félix-Jäger, Yoon Shin, 2023-09-26 This brief but comprehensive introduction to Christian worldview helps readers understand the Christian faith as the substance of Spirit filled living and as a knowledge tradition stemming from the global Pentecostal movement Using beauty truth and goodness as organizing principles the authors delineate a Christian worldview by tracing each category historically comparing and contrasting each with alternative Christian expressions and constructing fresh takes on each as read through the lived Pentecostal experience Unlike other worldview books the authors approach emphasizes beauty relating to experience rather than truth involving knowledge acquisition that difference in

emphasis flows naturally from the Pentecostal perspective which has traditionally centered the experience of the Spirit Pentecostal Christians will find this volume indispensable for thinking lucidly about their worldview from a renewal perspective
