Kesterson,1973 Essays to help you understand and appreciate the works of Edgar Allan Poe *Was Poe Immoral?* Sarah Helen Whitman,1929 *Criticism by Edgar Allan Poe*,2017-11-03 Edgar Allan Poe born Edgar Poe January 19 1809 October 7 1849 was an American writer editor and literary critic Poe is best known for his poetry and short stories particularly his tales

of mystery and the macabre He is widely regarded as a central figure of Romanticism in the United States and American literature as a whole and he was one of the country's earliest practitioners of the short story Poe is generally considered the inventor of the detective fiction genre and is further credited with contributing to the emerging genre of science fiction 1 He was the first well known American writer to try to earn a living through writing alone resulting in a financially difficult life and career Poe was born in Boston the second child of two actors His father abandoned the family in 1810 and his mother died the following year Thus orphaned the child was taken in by John and Frances Allan of Richmond Virginia They never formally adopted him but Poe was with them well into young adulthood Tension developed later as John Allan and Edgar repeatedly clashed over debts including those incurred by gambling and the cost of secondary education for the young man Poe attended the University of Virginia for one semester but left due to lack of money Poe quarreled with Allan over the funds for his education and enlisted in the Army in 1827 under an assumed name It was at this time that his publishing career began albeit humbly with the anonymous collection *Tamerlane and Other Poems* 1827 *Affidavits of Genius* Jean Alexander,1971 The nature of Poe's influence in France and the reasons for the symbolic role he has played abroad have aroused critical curiosity in America for a number of years but the documents that reveal the motives involved in Poe's reception have been largely unavailable Alexander traces the continuation and modifications of Poe's reputation through the era of Symbolism
