Cromwell In Ireland:

Cromwell in Ireland James Wheeler,2011-07-01 **Cromwell in Ireland** Denis Murphy,1883 *Cromwell in Ireland* Rev. Denis Murphy,2018-04-03 First published in Ireland only in 1883 this book is a fascinating account of the Irish campaign of 1649 1650 led by Oliver Cromwell 1599 1658 the English military and political leader and later Lord Protector of the Commonwealth of England Scotland and Ireland as told by the Irish Rev Denis Murphy of the Society of Jesus The object of this work is to give an account in full detail as far as is possible of Cromwell s Irish campaign which began in August 1649 and ended in May 1650 It is a portion of history but little known It lies for the most part in a few books some of them difficult of access by reason of their scarcity others written in a language not intelligible to the greater number of readers Traditions indeed there are still surviving of the doings of Cromwell and his followers many of them having no doubt a foundation of truth but many too exaggerations at best and not a few wholly unfounded and false In truth there is hardly a ruined church throughout the length and breadth of the land the destruction of which is not attributed to Cromwell or a crumbling castle of which it is not said that Oliver Cromwell He did it pommel And made a breach In its battlement Evil deeds are attributed to him as done where he never set foot and names are given to places that would seem at first sight to record his presence there but in reality have had their origin in the wish of his followers to perpetuate their leader s fame or in the hatred of those among whom they dwelt who would hand down the record of his cruelties by an appellation which in their minds summed up all manner of evil **A New History of Cromwell's Irish Campaign** Philip G. McKeiver,2007 The Stories of Cromwell in Ireland are the stuff of Myths and Legends This book factually disputes some of the spin and legend created about Cromwell in Ireland and reflects some of interests of the parties involved It shows that some of the controversy surrounding Cromwell is to say the least not factually based and perhaps may be biased reflecting the opinions of the Catholic Church Rich and wealthy landowners and the Governments of England Ireland This book although sympathetic to the Parliamentary cause bases its arguments on the factual historiography of the time rather than the myths and legends that were created and developed to support alternative views and perspectives One of the main points ignored by most historians is the commercial view taken by Cromwell in not killing Irish people but rather selling them into Slavery in the English Colonies of America to repay the Treasury to offset the costs of the Wars in Ireland God's Executioner Micheál Ó Siochrú,2009 A definitive account of Cromwell in Ireland The consequences of this notorious and bloody period of Anglo Irish history have reverberated down the centuries A compelling insight into one of the most controversial figures in this history

Cromwell and Ireland Martyn Bennett,Raymond Gillespie,R. Scott Spurlock,2021-01-12 In this collection of essays a range of established and early career scholars explore a variety of different perspectives on Oliver Cromwell s involvement with Ireland in particular his military campaign of 1649 1650 In England and Wales Cromwell is regarded as a figure of national importance in Ireland his reputation remains highly controversial The essays gathered together here provide a fresh

take on his Irish campaign reassessing the backdrop and context of the prevailing siege warfare strategy and offering new insights into other major players such as Henry Ireton and the Marquis of Ormond Other topics include but are not limited to the Cromwellian land settlement deportation of prisoners and popular memory of Cromwell in Ireland Overall a picture emerges of a more moderate Cromwell than the version that has been passed down in Irish history tradition and folklore

Cromwell Tom Reilly,1999 This long overdue evaluation of Cromwell s campaign in Ireland published on the 350th anniversary of that campaign challenges all conventional interpretations With an impressive mastery of detail he marshals the facts and concludes that Cromwell s appalling reputation appears to be undeserved Indeed during the Irish mission he proved to be significantly more compassionate than some of his contemporaries and he scrupulously adhered to the letter of the law of contemporary warfare
